Table of content i-iii

List of figures iv

List of tables v-vi

Preface vii-ix

Chapter I: Introduction 1-14
  - Background 2
  - Problem statement 7
  - Delimitations of the study 11
  - Justification 11
  - Research objectives 12

Chapter II: Literature Review 15-71
  - Background 15
  - Training and steps in training 22
  - Measure training results 46
  - Training effectiveness – case studies 66

Chapter III: Research Procedure 72-132
  - Statement of problem 73
  - Nature of research 77
  - Scope 78
  - Objectives of the study 78
  - Formulation of hypotheses 79
  - Research design 81-112
    - Selection of research methodology 81
Population 84
Data collection and analysis 86
Tools used in the present study 87
Design and implementation of instructional experiment 112
Data analysis and interpretation 121
Reliability of data 128
Dependability of data 128
Difficulties faced 129
Limitations of the study 129

Chapter IV: Organizations 1: Bharti Televenture Limited 133-168
Telecom industry scenario – An overview 133
Organizational overview 134
Sampling - Organization 1 138
Organization 1 – Knowledge evaluation score 141
Organization 1 – On-the-job skill evaluation score 148
Organization 1 – Result evaluation 155
Correlation between output parameters 163
Conclusion 167

Chapter V: Organization 2: BSES Limited 169-204
Organizational overview 169
Sampling - Organization 2 173
Organization 2 – Knowledge evaluation score 177
Organization 2 – On-the-job skill evaluation score 183
Organization 2 – Result evaluation 190
