ACKNOWLEDGEMENT

The investigator places on record his sincere gratitude to Dr. R.C. Deva, Reader, Department of Education, Aligarh Muslim University, Aligarh, under whose guidance the work has been conducted. For his constant encouragement and active interest in the progress of the work at each stage, the investigator is greatly indebted.

He is very greatful to the teachers and principals of the different intermediate colleges who helped and cooperated in the completion of this research and to the students who served as subjects and contributed willingly to the study. Without their help and cooperation the work would not have been possible.
