ACKNOWLEDGEMENTS

Thanks giving and expression of one’s gratitude is a pleasant task on the completion of a work such as this, to accomplish which would have been rather impossible but for the direct and in direct assistance and support of others including the invisible hand.

I am thankful to Allah Whose Mercy and Graciousness enabled me to complete my research work and for giving me strength, will power and the support of others in this task.

I feel short of vocabulary in expressing my heartiest feelings and deep sense of gratitude towards my research supervisor Dr. (Mrs.) Nighat Ahmad, Reader, Department of Economics, Aligarh Muslim University, Aligarh for her valuable guidance, constant supervision, keen interest and constructive suggestions for this work.

I wish to express my thanks to Professor Abdul Wahab, Chairman, Department of Economics, Aligarh Muslim University, Aligarh for his support and cooperation throughout my research work.

I must register my sincere thanks to all the teachers in the Department for their useful comments and encouragement.

I wish to place on record my sincere thanks to Dr. A.M. Khan, Junior Economist, National Council of Applied Economic Research and Dr. Amarnath, Senior Economist, National Institute of Public Finance and Policy. I am indebted to Professor S. Wiquar Hussain, Department of English, Aligarh Muslim University, Aligarh for giving his precious time for checking the language of this work.

My special thanks are due to the members of the staff of Seminar Library, Department of Economics, Aligarh Muslim University, Aligarh,
Maulana Azad Library, Aligarh Muslim University, Aligarh for their valuable cooperation and help whenever needed. Equally I feel indebted to the Librarian and staff members of National Council of Applied Economic Research, National Institute of Public Finance and Policy, Indian Council of Social Science Research, National Institute of Educational Planning and Administration, New Delhi.

I am extremely thankful to Mr. M. Zaki Khan for his help during this research work.

My thanks are due to my friends Shaista, Asifa, Shahana, Shaheena and Shabnam.

I would be failing in my duty if I do not express my sense of gratitude towards my father, Professor Reyasat Ali Khan for his support and guidance. I owe a special debt to my mother, Mrs. Nusrat Jahan for the unfailing love and affection throughout my life. Her continuous encouragement and inspiration motivated me during the entire period of this study.

My humble feelings of gratitude are due to my sister Mrs. Sufia Khan and her husband Mr. Asif Hussain Siddiqui. My brother Mr. Mohammad Khalid Ali Khan Nizami and his wife Mrs. Fakheha Sami deserve my special thanks for the hospitality they provided during my stay at Delhi. At last, I would like to thank Mr. Jaseem Baig for typing the thesis.
