Acknowledgement

First of all I would like to bow my head before the Almighty Allah 'The Creator of all Creations', for the grace and blessings which enabled me to complete this work. Without His help no task can be accomplished, without whose blessings nothing could be done.

I would like to express emphatically with profound sense of gratitude and highest veneration, my sincere thanks to my esteemed supervisor Prof. Shabahat Husain, Department of Library and Information Science, AMU, Aligarh, who despite of his busy schedule, provided me excellent guidance, motivation, constant help and keen interest in my thesis. I am extremely thankful to him for his kind cooperation and blessings that I received from him throughout the course of this research project. He will remain a source of constant inspiration in my future life as well. I consider myself fortunate enough to have worked under his supervision.

My special thanks are due to respected teachers of the Department, namely Mr. S. Mustafa KQ. Zaidi (Reader and Chairman), Dr. Naushad Ali P.M. (Reader), Dr. M. Masoom Raza (Sr. Lecturer), Dr. (Ms.) Sudharma Haridasan (Sr. Lecturer), Mrs.
