ACKNOWLEDGEMENT

The investigator expresses her sincere and heartfelt thanks to her most honoured and learned guide Dr. D. SAKTHIGNANAVEL, Reader, Department of Physical Education and Sports, Pondicherry University, for his valuable guidance and encouragement for the successful completion of this study.

I express my sincere thanks to the Doctoral Committee members Dr. P. K. SUBRAMANIAM, the Department of Physical Education and Sports, and PROF. K. PORSEZIAN, Department of Physics, Pondicherry University, for their encouragement and suggestion made throughout the study.

The researcher extends her thanks to DR. N. GOVINDARAJULU, Head of the Department of Physical Education and Sports, Pondicherry University, and other faculty members of the department for their cooperation and assistance.

I wish to place on record my sincere gratitude to Rev. Sr. EMILIANA, Principal, St. Joseph of Cluny Girls' Higher Secondary School, Pondicherry, her benevolent attitude in granting permission to pursue research and collection of data from the students to complete this experimental study successfully. Also I express my gratitude to all the Sisters and my colleagues of St. Joseph of Cluny Girls' Hr. Sec. School, for their help and moral support.

I am extremely grateful to M. ANNAPURANI and other friends for their constant support and motivation for the study.

My deep sense of gratitude goes to my family members and relatives for their unstinting support and cooperation for the successful completion of the research work.

I would like to extend my sincere thanks to all those who directly or indirectly helped me in completion of the study.

Ultimately I bow my head before the God Almighty for the bountiful blessings showered on me, without which this work would not have been materialized.
