Acknowledgement

First of all, I would like to thank the Almighty for bestowing me His mercy and blessings.

I feel privileged in expressing my profound sense of gratitude and indebtedness to Dr. Shadab Khurshid, Chairman, Department of Geology, Aligarh Muslim University for allowing me to submit my thesis under his good office. My sincere thanks are also to him for trusting me, for intellectual support, for patience and for many pieces of advice from time to time.

I wish to thank the Chairman, Department of Geology, Aligarh Muslim University, Aligarh, for providing me the facilities of the Department during the course of my research work.

I wish to thank Prof. (retd.) S.H. Israili and Dr. Sarfaraz Ahmad of the Department of Geology, for their kind guidance, help and suggestion during different stages of my research.

I am also thankful to Prof. Mahshar Raza, Incharge-Geochemistry Laboratory, Department of Geology, for providing me the laboratory facility for hydrochemical analysis. Fruitful discussions with Dr. Taqveem Ali Khan, Dr. R. Umar, Dr. S. A. Rashid and Dr. Abdullah Khan, Dr. M.E.A. Mondal are also thankfully acknowledged.

Gratitude is expressed to Dr. Shakeel Ahmad for extending his help during the hydrochemical analysis and discussion.

I expressed my gratitude towards Prof. R.A.S. Kushwaha and Dr. S. Ibotombi of the Earth Science Department, Manipur University, for the useful material help and also explanation and clarification of my doubts during my field investigations.

I wish to express my sincere thanks to Dr. Biren Singh, State Epidemiologist, Medical Directorate, Govt. of Manipur and Dr. Gonchandra Sharma, Principal
Scientific Officer, Manipur Pollution Control Board, for their help and suggestions during field visits and investigations.

I owe special thanks my batchmates Aijaz, Shamim, Rais, Ashique, Faisal, Adnan, Hameedullah, Waleed, Iyad and Ranjeeta for their constant support and encouragement.

Special thanks are due to Khanday, Zahoor and Sajad for their critical technical support and constant companionship.

Thanks are also extended to my seniors, Manjur Bhai, Baniyamuddin Bhai, Zaheer Bhai, Rizwan Bhai, Bhardwaj Bhai, Ashis Bhai and Pradeep Bhai for their help and support.

I also want to thank all my juniors Muqtada, Akhtar, Bilal, Zubair, Fakihre Alam, Shameem, Imran, Adil, and Sajjad for their cooperation and support.

I also expressed my thanks to Israt Sb., Dr. Rizvi Sb., V.P. Singh Sb. and Wasi Bhai and Rahil Bhai for their help and constant encouragement extended to me during my research work.

Special thanks are due to Ilyas, Wahidur and Idris for their help and companionship during the time of sample collections from the study area.

The financial assistances received first, from the MOBC, Govt. of Manipur and later from the University Grants Commission (UGC) in the form of JRF/NET Fellowship are greatly acknowledged.

Last but not the least, I express my gratitude to all my family members for their constant and unwavering support. I thank them for the love and patience they have for me.

MD. ABDULLAH KHAN
