INTRODUCTION
Statement of the Problems
Significance of the Study.
Objectives
Hypothesis
Research Methodology and Data Collection.
Study Area.
Chapter Design.

Chapter 1 REVIEW OF THE LITERATURE 17-40
1.1 Studies on Livestock Composition
1.2 Studies on Livestock Production
1.3 Studies on Livestock Dairy Centers and Dairy Production
1.4 Studies on Livestock Breeding Technology
1.5 Studies on Fodder Demands
1.6 Studies on Livestock Economy
1.7 Studies on Livestock Mixed Farming
1.8 Studies on Women Participation in Livestock
1.9 Studies on Livestock Trade and Marketing
1.10 Studies on Livestock Problems and Prospects

Chapter 2 A GEOGRAPHICAL OUTLOOK OF ALIGARH DISTRICT 41-76
2.1 Geographical location
2.2 Physical Profile
   2.2.1 Relief
   2.2.2 Drainage System
   2.2.3 Climate
   2.2.4 Soils
2.2.5 Natural Vegetation

2.3 Demographic Profile
2.3.1 Growth of Population
2.3.2 Distribution and Density Population
2.3.3 Sex Ratio
2.3.4 Literacy
2.3.5 Religion

2.4 Agricultural Condition
2.4.1 Land Use
2.4.2 Cropping Intensity
2.4.3 Livestock Composition

2.5 Industrial Economy

2.6 Transportation

2.7 Fairs and Livestock Markets

Chapter 3 Dynamics of Livestock Development

3.1 Growth in Livestock Population
3.1.1 Livestock-Area and Livestock-Population Indexes

3.2 Species-wise Growth of Livestock during 1993-2003
3.2.1 Growth in Buffalo
3.2.2 Buffalo-Area and Buffalo-Population Indexes
3.2.3 Growth in Cattle
3.2.4 Cattle-Area and Cattle-Population Indexes
3.2.5 Growth in Goat
3.2.6 Goat-Area and Goat Population Indices
3.2.7 Growth in Sheep
3.2.8 Sheep-Area and Sheep-Population Indexes

Chapter 4 Socio-Economic Profile of Sampled Households

4.1 Gender-wise Distribution of Livestock Husbandry in Sampled Households
4.2 Caste-wise Distribution of the Population Involved Livestock Husbandry in Aligarh District
4.3 Educational Status of Livestock Rearers of Sampled Households
4.4 Occupational Structure of Different Classes of Farmers Involved in Livestock Husbandry
4.5 Caste-wise Employment of Population Involved in Livestock Husbandry
4.5.1 Social Structure of Employees in Animal Husbandry

4.6 Women Participation in Livestock Husbandry
   4.6.1 Share of Female Members in Livestock Husbandry
   4.6.2 Share of Women in Labour Input in Livestock Husbandry

Chapter 5 Locational and Seasonal Effect on Livestock Husbandry 164-179

5.1 Seasonal Effect on the Livestock Husbandry
   5.1.1 Seasonal Effect on Milk Production
   5.1.2 Seasonal Effect on Meat Production

5.2 Locational Effect on the Livestock Husbandry
   5.2.1 Effects of Dairy Centers on Livestock Husbandry
   5.2.2 Effect of Livestock Market on Livestock Rearing

5.3 Spatial Distribution of Livestock in Study Area

5.4 Block-wise Variation of Livestock Products
   5.4.1 Block-wise Distribution of Milk Production in Aligarh District during 2007-2008
   5.4.2 Block-wise Distribution of Meat Production in Aligarh District during 2007-2008

Chapter 6 Economic Viability through Livestock Husbandry 180-195

6.1 Economic Stratification and Livestock Husbandry

6.2 Economics of Livestock Husbandry

6.3 Employment through Livestock Husbandry

6.4 Livestock – Cropping Integrated System and Sustainability

Conclusion, Problems and Suggestions 196-207

Glossary 208

Appendices 209-222

Bibliography 223-236
