ACKNOWLEDGEMENT

All praises and thanks are for the almighty Allah the One Universal Being, Who enlightened my life with the light of knowledge and guiding me in right direction and showering upon me His blessings for completing my research work. I am grateful to Allah for providing me the best parents of this world. I am whole heartedly thankful to my father Mr. Anwar Ali and mother Mrs. Shahana Begum who sacrificed everything to give me the best possible education. Their patience, love and support can not be expressed.

It is my privilege to express deep sense of profound gratitude to my esteemed teacher and research guide Dr. Iqbal Ahmad (Associate Professor) for his sacrifice of time, always making himself available, positive criticism, patience in listening me and checking my thesis.

My express is due to Dr. Abdul Malik (Chairman, D/o Ag. Microbiology) for his valuable suggestions and providing necessary facilities.

I am highly obliged to Prof. Javed Musarrat for his kind guidance, moral support, encouragement, valuable suggestions, well behavior and lovely nature through out my research work. I can never forget his help and cooperation in my struggle for education as well as my election for the membership of Aligarh Muslim University Court. His affectionate behaviour throughout my research programme boosted my morale.

I am highly thankful to my teachers Dr. Mohd. Saghir Khan (Associate Professor, D/o Ag. Microbiology) and Dr. Almas Zaidi (D/o Ag. Microbiology) for their helping nature, valuable suggestions and support.

It is my pleasure to venerate and thank Prof. Akhtar Haseeb, (Chairman, D/o Plant Protection and Ex-Dean, F/o Agricultural Sciences, A.M.U., Aligarh) for his support and valuable suggestions. I am also thankful to Prof. Parvez Qamar Rizvi (Dean F/o Agricultural...
Sciences, A.M.U., Aligarh) for providing the necessary facilities and his cooperative behaviour towards me.

I would like to give thanks to Jb. Naseem Ahmad I.A.S (Ex-Vice chancellor Aligarh Muslim University Aligarh) for his well wishes, encouragement, moral support and making me aware of the truth of life. I am also thankful to him to implement all the proposals proposed by me regarding the developments of F/o Agricultural Sciences and F/o Theology during the tenure of my membership of AMU court.

Further I wish to record my sincere gratitude to Dr. Saghir Ahmad (D/o Post Harvest and Food Technology, F/o Agricultural Sciences, AMU Aligarh) for his valuable and thoughtful suggestions and cooperation throughout my research work.

I am much indebted to Dr. Tharcisse Barasubiye, National fungal identification service, Agriculture and Agri-food, Ottawa, Ontario, Canada for identification and molecular characterization of the fungal isolates.

I would like to express my thanks to my teachers Mr. Rajesh C. Laal (O.C.M.S., Suar), Mr. Sabir Ali Beg, R. Pushkar, Sayed Zafar Ali and Rajeev Kumar Tiwari (G.I.C., Suar), Dr. Hasan Ahmad Nizami, (D/o Urdu, Raza P.G. College Rampur), Dr. Yashveer Singh (D/o Botany, Raza P.G. College Rampur) and Dr. Shahla Nusrat Qidwai (D/o Chemistry, Raza P.G. College Rampur) who have been always the source of inspiration, encouragement and moral support to me.

I am grateful to my friends Mohd Sajjad Ahmad Khan for his positive attitude, encouragement, cooperation and help at every stage of my research work.

I am also thankful to my friend Imamul Haque, Abdul Khaliq and Mohd. Afzal for their cooperative behaviour and leading me to the right path at every stage when needed.

I express my thanks to my senior research scholars Dr. Mohd. Aamil, Dr. P.A. Waani, Dr. Qaiser Saquib, Dr. Farah Ahmad, Dr. Farrukh Aqil and Dr. Braj Raaj Singh who helped me to overcome the difficulties in my
research work, I am also thankful to all these research scholars for encouraging me towards my target of research.

I also wish to express whole heartedly thanks to my colleagues Zubair, Munee, Ikram, Saurab, Abuzar, Haider, Mehmod, Ees, Uvais, Fahad, Mashi-Ur-Rahman, Musheer, Saima, Farhana, Maryam and Reshama for their untiring support and cooperation to achieve my goal.

Ms. Shaba Qamar Ansari, Mr. Fazal-ur-Rehman and Zarrar Ahmad are also thanked for their technical guidance and friendly approach. I also thank Mrs. Darakshan Noor for making it possible to have an easy access to a plethora of books.

I am highly thankful to my father in law Dr. Mohd. Arif and mother in law Mrs. Shahjaham Begum for their encouragement and well wishes.

I am highly obliged to my maternal uncle Maulana Mohd. Iqtedar for his moral support and encouragement throughout my education period. Here, I also remember the affection, care and blessings of my dear grandmothers Late Dilwari Begum (Paternal) and Mrs. Mehmoodi (Maternal).

My younger brother Mohd. Usman provided me the much needed strength and support. He had been much more than a brother. My youngest brother Mohd. Farhan too provided the much essential encouragement which was indeed helpful.

My reserved thanks are due to my beloved wife Mrs. Mursaleen Jahan, who has been a constant source of latent support. Her sustained help throughout my research work can by no means be legibly or verbally expressed.

Before concluding I doubt, I could have ever forgotten to mention and acknowledge many persons who helped me in one way or the other.

Mohd. Imran
