CONTENTS

CHAPTER - I
INTRODUCTION

1.1. Historical background of Rangia  
1.2. Socio - Economic characteristic of Rangia Town :
   1.2.1. Population Growth Since 1971  
   1.2.2. Occupational Pattern  
   1.2.3. Educational Status  
   1.3. Municipal Administration  
   1.4. Brief review of chapter in the dissertation

CHAPTER - II
A BRIEF SURVEY OF INDIAN ENERGY SITUATION

2.1. Introduction  
2.2. Progress and Prospects of Fuel Industry in India  
2.3. Brief description of Fuel Resources in India

CHAPTER - III
SOURCES AND USE OF DOMESTIC FUEL IN ASSAM

3.1. A Short Historical Survey  
3.2. Conventional Sources of Energy  
3.3. Non-Conventional and other Renewable Sources of Energy

CHAPTER - IV

METHODOLOGY & EMPIRICAL ANALYSIS

5.1. Introduction 85
5.2. Nature of Consumer Behaviour 85-88
5.3. The Consumer's Optimum 88-90
5.4. Demand Function 90-96
5.5. Models Adopted for Empirical Analysis of Data 96-100
5.6. Treatment of Data 100
5.7. Empirical Analysis :
5.7.1. A—Global Equation 100-103
5.7.2. B—Micro Equation (Survey Data) 103-112
5.7.3. C—Micro Equations (N.S.S.) Data, 25th Round 113-120
5.7.4. D—Micro Equations (N.S.S.) Data, 28th Round 120-125

CHAPTER - VI

CONCLUSION 126-127
List of Tables
(Survey Data)

APPENDIX-A.

1. Income distribution of Households with average family size. 128
2. Expenditure distribution of Households with average family size. 129
3. Monthly per capita income and number of families. 130
4. Monthly per capita expenditure and number of families. 131
5. Number of Households with family size in different income groups. 132
6. Electricity consumption and family size. 133
7. Kerosene consumption and family size. 134
8. Gas consumption and family size. 135
9. Firewood consumption and family size. 136
10. Combined fuel consumption and family size. 137

APPENDIX-B.

N.S.S. Data (25th Round)

1. Per capita fuel expenditure and Total expenditure of monthly per capita expenditure class. 138
2. Per capita fuel expenditure and Monthly per capita expenditure on different category of consumption goods. 139

APPENDIX - C.

N.S.S. Data (28th Round)

1. Per capita fuel expenditure and total expenditure of monthly per capita expenditure class. 139
2. Per capita fuel expenditure and Monthly expenditure on different category of consumption goods. 139
APPENDIX - D.

SUMMARY TABLES

Survey Data:

(1) Monthly expenditure on different types of fuels by Households in different income groups.

N.S.S. Data (25th Round)

(2) Monthly consumption expenditure per person by Broad Groups of items in urban areas of Assam.

N.S.S. Data (28th Round)

(3) Monthly consumption expenditure per person by Broad Groups of items in urban areas of Assam.

APPENDIX - E.

1. Schedule of Survey Work.
