This is the master thesis is part of study in the field of banking in a joint programme with the All India Management Association (AIMA) and Aligarh Muslim University.

During the work on this thesis I have received generous support from a large number of people, which have contributed to the completion of the work.

First of all I would like to express my sincere gratitude to my supervisor, Prof Javid Akhtar and Dr. Dayanand Pandey for their intelligent guidance and helpful advice during the whole process. Their supports and comments have been of inestimable value throughout my work.

In addition I would like to thank the top managers of Axis Bank, HDFC Bank, Union National Bank, ABN-AMRO Bank, Emirates NBD Bank, Commercial Bank of Dubai for filling in the questionnaires and providing verbal feedbacks.

Finally I would like to mention the contribution of my loved ones. I would specially like to thank my father and mother for their endless helps and my husband for his support during my study. Caring on it and passing the period of this hard work would have never been possible without their help.
