ACKNOWLEDGEMENTS

It now remains for me to do the grateful duty of acknowledging my obligations to those who have inspired and helped me in the preparation of the thesis in one form or another.

First and foremost among them stands the name of my respected and ideal teacher Dr. Shehroz Alam Rizvi, Reader, Dept. of Economics, A.M.U., Aligarh who made me capable of understanding the gravity of the subject of study when I was his student of M.A. in Economics. It is he who encouraged me to pursue the research work. The affection and incentives I have got from him are my precious gems. For years, I have been in touch with my supervisor Dr. Shehroz Alam Rizvi, Reader, Dept. of Economics, A.M.U., Aligarh. Whenever the adverse circumstances made me unsteady, his tremendous patience instigated me, directly or indirectly, to overcome the prevailing laxity and predominant negative thoughts. During the course of this pursuit, the valuable suggestions gathered from him at times are incorporated in the work in accordance with the context. Anyhow, I became successful to bring out my endeavor in a concrete form due to his generosity and benediction.

I place it on record my humble gratitude to the Department of Economics, A.M.U, Aligarh and its Chairperson Prof. Ashok Mittal for the support extended to my research work. In fact, Prof Ashok Mittal has been a great source of support and encouragement to me throughout the duration of the research work. I am also thankful to teachers of the department especially Prof. Abdul Wahab, Ex-Chairman, Deptt. of Economics who extended all kinds of support to complete this work.

My special gratitude extended to Dr.(Smt.) Kamla Chanyal, Principal, Sri Ramsingh Dhoni Govt. Degree College, Jainti, Almora (Uttarakhand), Mr. Chandra Shekhar Sahu (Sr. Lecturer, Govt. Degree College, Jainti, Almora), Mr. R.C Tiwari, Mr.
Aakarsh Srivastava, Mr. Javed Khan, Mr. Ejaz, Mr. Hamid Shoeb and Mr. Anwar Hussain (Lecturer, University Polytechnic, AMU, Aligarh) for their moral support and encouragement throughout the study.

Mr. Buniyad Ali, In-charge, Seminar Library of the Department made all the reference books and useful volumes of journals available to me without any delay. His assistance needs to be placed on record with thanks.

Lastly, I must mention the unforgettable role of the family-members, especially my respected father Mr. Nizamuddin Ahmad and mother Mrs. Khushbun Nisa as well as my younger brothers and sisters; Mr. Ziauddin Ahmad, Mr. Faiz Ahmad, Mrs. Naima, Mrs. Halima, Mrs. Razia and my beloved wife as they extended full moral support to me in the hours of despair. At this moment, I express my best regards to all of them.
