List of tables

Table 3.1 Temperature effect on quenching constants of histone H3 binding with EPI (A) and MTX (B).
Table 3.2 Thermodynamic parameters for histone H3 complex with EPI (A) and MTX (B).
Table 3.3 Comparative EPI and MTX distance to protein measured by Forster's nonradiative energy transfer.
Table 4.1 Effect of temperature on the binding of EPI (A) and MTX (B) with DNA.
Table 5.1 Effect of EPI (A) and MTX (B) on cell cycle distribution.
