Acknowledgement

To begin with, I thank Almighty for his mercy and benevolence on me. With deep sense of pleasure and achievement upon completion of my Ph.D. Thesis, I would like to express gratitude to my Supervisors Dr. (Prof.) Asif Ali Khan, Chairman, Department of Zoology and Dean, Faculty of Life Science, Aligarh Muslim University, Aligarh and Dr. Wazir Singh Lakra, Director, National Bureau of Fish Genetic Resources (NBFG), Lucknow for their eminent supervision and never ending support. Without their keen interest, priceless supervision, care and concern, it would not have been possible for me to complete this thesis.

I would like to thank all my teachers of Department of Zoology AMU Aligarh namely, Dr. Absar Mustafa Khan, Dr. Iqbal Pervez, Dr. Mukhtar Ahmad Khan, Dr. Afzal Khan and Dr. Saltanat Parveen, for their affectionate support and guidance and encouragement.

I am extremely indebted to Dr. Kuldeep K Lal, Principal Scientist and Head of Division, NBFG Lucknow, for having confidence in my abilities and giving me immense encouragement and improvisation while conducting my research work. I shall always remain obliged to Dr. Vindhya Mohindra, Senior Scientist NBFG Lucknow, for her patience and support shown to me in my day to day queries. Her encouragement and optimism helped me to a great extent in overcoming failures. The expert comments, valuable suggestions and guidance provided by Dr. A. Gopalakrishnan, Dr. Peyush Punia and Dr. Rajiv K Singh during the course of this investigation are duly acknowledged. Their patience and perseverance have helped me a lot while dealing with experimental problems.

On both personal and professional front, I shall always remain indebted to Dr. S.A.H. Abidi for his affection, motivation, support and guidance which have made me capable of realizing my potential as well as weaknesses.

The incredible technical assistance provided by Shri Akhilesh Kumar Mishra, Shri Ramashankar Sah, Shri Rajesh Kumar, Shri Sri Ram, Mr. Ashish Kumar, Mr. Deepak Ranjan Satpathy and Miss Nitya Gupta during the course of this investigation is beyond compare. I am highly obliged for their timely assistance during experimentation and data generation. I am also thankful...
to entire supporting and technical staff of Zoology department, AMU Aligarh for their assistance and co-operation.

The support and help rendered by my seniors and lab mates at AMU as well as NBFGGR is duly recognized. I humbly express gratitude to all my seniors; Mr. Waseem Raja, Miss Shazia Ansari, Mr. Altaf Hussain Ghanai, Mr. Anup Mandal, Mr. Anindya Sundar Barman, Mr. Praveen Khare for their guidance. The help and co-operation provided by my labmates namely, Mrs. Maryam Siddiqui, Mrs. Habeeba Ahmad, Miss Uzma Ahmad, Miss Akanksha Singh, Miss Rakhi Das, Mr. Rupesh Kumar Luhariya, Miss Arti Gupta, Miss Prachi Masih, Miss Geeta Prasad and Mr. Atul Bhatta is inestimable to be acknowledged in words.

Without the motivation of my friends it would not have been possible for me to complete this investigation. My sincere gratitude to Asna, Lubna, Khadijah, Saba, Uzma Rafi, Uzma Tauheed, Arij, Tarun, Puneet, Kaish Miyan and all others for their best wishes.

Last but not the least, I am exceedingly thankful and obliged to my family members for their concern and support.
