Acknowledgement

It is by the grace of Almighty Allah, the most beneficent, Gracious and merciful that I have been able to complete my thesis. It has been made possible by the Presence and generous support of many people. I would like to add a few words of appreciation for the people who have been a part of this thesis right from its inception. The writing of this thesis has been one of the significant academic challenges I have faced and without the support, patience, and guidance of the people involved, this task would not have been completed. It is to them I owe my deepest gratitude. These few words only convey my formal thanks but cannot convey the depth of my gratitude to them.

It gives me immense pleasure in presenting my thesis work on the topic "A Comparative Analysis of Public sector And Private Sector Mutual Fund Industry in India". I have to begin by thanking my supervisor Prof. Mohd. Mohsin Khan, under whose able guidance this work has been carried out. His constructive Criticism, patience in going through my work, simplifying suggestions, Constant encouragement, tender heartedness and rock solid moral support has gone a long way in helping me completing my thesis. I am deeply grateful to him for this.

I would also like to express my gratitude to Prof. Javed Alam Khan, the Dean, Faculty of Commerce for providing all kind of support and conducive environment to carry out the research work.

I would like to thank Prof. Sibgatullah Farooqui, the Chairman of Department of Commerce for providing basic amenities and moral support to complete my work.

I am grateful to the Prof. Abdul Qayyum Khan Department of commerce for his inspiring words which encouraged me to do research. I am highly obliged to him for his advise in the final drafts of the thesis.

I would like to express my thanks to my husband Dr. Mohd Shamim for sparing his valuable time in going through my research work and providing
constructive invaluable suggestions and moral support. I sincerely acknowledge his understanding, sacrifice, patience, love and help throughout my work.

I would also like to express my gratitude to Mr. Malik of computer center for giving his valuable time from his busy schedule to my work. I am indebted to him for his suggestions and help in the analysis and interpretation of the data.

I am sincerely thankful to all the honorable faculty teachers of the Department of Commerce AMU, Aligarh for inspiring me with their style of teachings and having bestowed me with the erudition that has made my work possible.

The acknowledgement would be incomplete if I do not express my thanks to my beloved parents and other family members who supported and prayed for me during the entire time of my work. Their love, care and affection stands as a source of motivation for me throughout my work. I am also thankful from the core of my heart to my in laws for their never ending support and encouragement.

I would also like to thank Mr. Ali Hasan, Mr. Khawa Pervez and Mr. Anees Ahmed of Seminar, Department of Commerce for being kind and helping in providing me the requested books, Journals, Magazines, Newspaper, Dissertations and Thesis as and when required.

I would also like to express my thanks to Mr. Akram, and other staff of the chairman and Dean Office of the Department of Commerce AMU for their cooperation and affection.

I am also thankful to all my friends and colleagues Sameena, Rutika, Meenakshi, Namrata, Shevata, Bharti, sapna obia, Nusrat Khan, Ruhi Nadeem, Hira, Farah, Gazala, Amna, Amit Kumar, Aslam and many more as the list is very comprehensive.

Lastly, my sincere thanks is to all those who inspired me some way or other way to complete the research work.
