ACKNOWLEDGEMENT

The present study is the outcome of the valuable suggestions of my two respectable learned teachers Mr. Ali Akhter Khan, Reader, Department of Education and Dr. Ishtiaque Ahmad Zilli, Reader, Deptt. of History, Aligarh Muslim University Aligarh. I can never forget their co-operation in course of my research work. I do not find adequate words to thank them for their co-operation.

It is with great pleasure that I extend my gratitude to Prof. Dr. Moiz Manzar of Patna who spared his valuable time to go through the draft of this thesis. And it is on his thought provoking comments that this thesis was at some places enlarged and developed.

I remember Maulana Afzal Hussain Saheb, Educationist and Ex-General Secretary, Jamat-E-Eslami Hind, whose interest in my topic of study was a source of inspiration for me but whose expectations I could hardly fulfil.

I express regard to my respectable and learned teacher Maulana Mohammad Irtezauddine Saheb Hāziq Ziaie who provided me with some relevant material on the subject of this study.

I am thankful to Mr. Mansoor Ahmad, I.F.S., (Retd.), Divisional Forest Officer, Dr. Mrs. Shahnaz Begum, Lecturer, English Department, Mahila College Sasaram and Prof. Azhar Hussain Saheb who helped and encouraged me in course of my study.

I am very much thankful to my father and my wife without
whose co-operation this work could not be completed.

I am also thankful to Mr. Ram Ayodhya Singh, who typed this thesis in a short time.
