ACKNOWLEDGEMENTS

I wish to record my most sincere sense of gratitude to my teacher and supervisor Professor (Mrs.) Kishwar Shabbir Khan for her inspiring guidance, affectionate encouragement and searching criticism throughout the completion of this work. She provided manoeuvrability and freedom to work albeit keeping a watchful eye on the progress. Without her kind cooperation, this work could never have taken the present shape.

I record my deep sense of gratitude to Prof. Akhtar Zaheer Rizvi, Chairman, Department of Economics, Aligarh Muslim University, Aligarh, for extending facilities to carry on the work. I owe him a lot as a teacher, well wisher, critic etc.

It is an unvanished truth that the treatise would have never materialised in the absence of my teachers and friends, particularly in the Department of Economics, Aligarh Muslim University, Aligarh who helped me in completing this work and to whom I am deeply indebted. In naming them, I am likely to miss many of those who contributed in different ways.

It is my proud privilege to record my sincere thanks to Prof. P.D. Hajela, Prof. R.R. Arif, and Mr. Mridul Saggar, with whom I had fruitful discussions related to the study.

I am indebted to the members of the staff of Ratan Tata
Library of Delhi School of Economics, Delhi, Libraries of Jawaharlal Nehru University, New Delhi, Indian Institute of Foreign Trade, New Delhi, Federation of Indian Chamber of Commerce and Industry, New Delhi, National Council of Applied Economic Research, New Delhi, Indian Council of Social Science Research, New Delhi, Planning Commission, New Delhi and Muala Azad Library, Aligarh Muslim University, Aligarh for providing me with unflinching help and facilities for collection of data and other related informations.

I am grateful to Mr Kuriakose who typed the first draft of this work with his usual speed, accuracy and neatness.

I wish to express my most sincere appreciation to Messers M.S. Elahi, Shakeel Anwar, B.C. Tiwari, Shaukat and Tarique for carrying out the computational work.

Words fail to come by which I can express my appreciation to my niece Shagufta and nephews Anjum and Javed whose love, affection and encouragement made me succeed in my endeavour.
