ACKNOWLEDGEMENT

The investigator places on record her sincere gratitude to Dr. Kamal Uddin, Reader of the Department of Education, Aligarh Muslim University, Aligarh, under whose guidance the work has been conducted. For his constant and sincere encouragement and active interest in the progress of the work at each stage, the investigator is greatly indebted.

She is also grateful to Dr. Mohammad Halim Khan, Head of the Department of Education, Miss Sophia Sultana, Mr. Ehtishamur Rehman, Lecturers in that Department, Mr. Manzoor Hasan, Librarian and Mr. Abdul Halim Khan, Assistant Librarian of the Department of Education, the Librarian of the Maulana Azad Library, Aligarh Muslim University, and the Librarian of the Audio-visual Centre, New Delhi, for their help.

Further gratefulness should be extended to the school principals, the teachers and the students of the secondary schools in Thailand who cooperated with her and completed the questionnaires willingly contributing to the study, and to all her friends in India as well as in Thailand who help distribute and collect some parts of the questionnaires and the answers. Without their help and cooperation the work would not have been possible.

Finally, she would like to thank Mr. Nishood Alam Raz of the faculty of arts and Mr. Hafizullah Siddiqui of the Department of Education, who gave her assistance in the typing work of this thesis.
