ACKNOWLEDGEMENT

I am indebted and extremely grateful to my supervisor Dr. M. Dharmendirakumar, Assistant Professor (SG), Department of Applied Science and Technology, Anna University-Chennai, for his valuable guidance, constant encouragement, kind help and stimulating suggestions during the course of my research.

I would like to express my deep sense of gratitude to my ex-supervisor Late Dr. Rajamaniccam L Sai, Associate Professor, Department of Chemical Engineering, Anna University-Chennai, for his encouragement, inspiration, continued support, advice and critical review of several aspects of this study.

I wish to express my gratitude to Prof. S. Sivanesan, Dean, AC Tech, Anna University Chennai for his continuous support during the research. I express my sincere thanks to Prof. M. Alagar for his valuable help to throughout my research. I am thankful to Dr. S. Kalaiselvan, Head, Department of Applied Science and Technology and Dr. N. Balasubramanian, Head, Department of Chemical Engineering for their support.

I wish to record my sincere thanks to the doctoral committee members Dr. S. Jaisankar and Dr. S. Renganathan, for their valuable suggestions.

I am indebted to my colleagues and all other researchers of Department of Applied Science and Technology, Department of Chemical Engineering, Department of Chemistry and University of Madras for their assistance.

I express my deep gratitude to my beloved parents, all my family members and relatives for their continuous and great support.

RAJAKUMAR K
