To carry out a research work in an esteemed university is a blessing. I feel elated in enrolling myself in this esteemed university to undergo my doctoral degree.

It is my duty to express my sincere thanks to Prof. Dr. S. It is obvious that exploration is the key to genuine research. To explore deep and unearth innovations and newness, a solid platform is required. This concrete platform is none other than the dynamic and intellectual radiance, Prof. Dr. M. Subramanian is always a source of inspiration in all my entrepreneurial activities.

My loving sister Dr. R.Valli Devi, Brother in law, Er.S.Ramesh and their family have always been a source of encouragement and support. I thank my father - in - law Mr. C.
