ACKNOWLEDGEMENTS

Most of all, I would like to thank my guide, Dr. V.PERUMAL, Director of Physical Education, Sri Paramakalyani college, Alwarkurichi, Tamilnadu, India for his continuous support and patience throughout the completion of this work as well as his outstanding guidance in the preparation of this final draft.

I extend immense gratitude to Dr. D. Shunmuganathan, Professor cum Director and Head, Department of Physical Education and Sports, Manonmaniam Sundaranar University, Tirunelveli for his encouragement and guidance.

I acknowledge my whole hearted thanks to Dr.S.Krishnakumar, M.S (Ortho) Nagercoil for his support, motivation and help for the completion my research work and also extending support to my career development.

I am grateful to Mr.B.Prabakar, Director of Physical Education, Regional Centre of Anna University, Tirunelveli without his technical assistance, this work would certainly not have been possible.

I gratefully acknowledge the immense support of Dr.Melvin Ronald, MPT (Neuro), Mrs.N. Anex Mary, Nutrition Expert, and VLCC Fitness Centre Nagercoil.

The investigator gratefully acknowledges his sincere thanks due to the members of the family for their constant inspiration throughout his academic carrier besides their invaluable support to complete the thesis.
I thank my post graduate Lecturers of Dr. Sivanthi Aditanar College of Physical Education, Tiruchendur, and my classmates for the values they have instilled in me and for their support in every decision I have made. Finally, I wish to thank to everybody who participated directly or indirectly in the process of the completion of this work.

S.P. MATHAVAN
