Chapter

1 INTRODUCTION AND DESIGN OF THE STUDY 1
Introduction
Status of Co-operatives in India
Housing
Housing Problem – A Global Scenario
Housing Problem in Asia and Pacific Region
Housing Problem – A National Scenario
Trend of Demand and Supply of Housing in India
Demand and Supply of Urban Housing in India
Housing Shortage in India
Housing Shortage in Tamilnadu
Investment in Housing in India
Origin and Development of Housing Co-operatives
Cooperative Housing in Tamilnadu
Statement of the Problem
Review of Earlier Studies
Research gap
Scope of the Study

Objectives of the Study

Hypotheses

Methodology

Sampling Design

Period of the Study

Tools of Analysis

Concepts

Limitations of the Study

Chapterisation

CO-OPERATIVE HOUSING INSTITUTIONS AND THEIR ROLE IN HOUSING DEVELOPMENT – AN ANALYSIS

Introduction

Organisational Structure

Classification of Housing Co-operatives

Growth of Housing Cooperative in India

Membership Growth in Housing Co-operatives in India

Growth of Working Capital in Housing Cooperative in India

Sources of Funds for Apex Cooperative Housing Federations in India

Performance of Cooperative Housing Societies in India - State Wise Comparison

Cooperative Housing in Tamilnadu

Summary
FINANCIAL STATUS OF URBAN COOPERATIVE HOUSING SOCIETIES IN TIRUNELVELI REGION

Introduction
Share Capital
Reserves and Surplus
Deposits
Working Capital
Relationship between Loan Demand, Sanctioned and Disbursement
Loan Disbursement
Number of Borrowers
Recovery Position
Default in Loan Repayment
Bad Debts
Relationship Between Loans Received and Loans Repayment
Loan Due to the TNCHF and the Loan Due from the Members
Expiry of Members and the Amount of Compensation Received
Premature Closure of Loans
Expenses Incurred
Profit and Loss Position
Dividend Declaration
Summary
Hypothesis

4 FINANCIAL AND ADMINISTRATIVE PROBLEMS OF URBAN CO-OPERATIVE HOUSING SOCIETIES IN TIRUNELVELI REGION

Introduction

Financial Problems

Administrative Problems

Summary

5 BENEFICIARIES' OPINION ABOUT THE PERFORMANCE OF URBAN CO-OPERATIVE HOUSING SOCIETIES IN TIRUNELVELI REGION - AN ANALYSIS

Introduction

Gender Wise Distribution

Educational Status

Family Structure

Family Size

Occupation-Wise Distribution

Awareness of the Sources of Loans

Purpose of Loan

Monthly Income and the Amount of Loan Issued

Period of Loan

Adequacy of Loan

Share Capital Investment
Reasons for Selecting the Housing Society for Housing Loan

Difficulties in Availing Loan

Varying Rates of Interest

Processing, Registration and Service Charges

Building Inspection

Methods of Loan Repayment

Bonus Scheme for Prompt Repayment

Repayment of Loan

Installments Overdue

Penal Interest

Reasons for Default in Repayment

Financial Assistance from Other Sources

Participation in General Body Meetings

Participation in Cooperative Election

Status of the Respondents

Summary

Statistical Analysis

Hypothesis

COMPARATIVE PERFORMANCE OF URBAN COOPERATIVE HOUSING SOCIETIES OF EACH DISTRICT IN TIRUNELVELI REGION

Introduction

Growth of Membership
Share Capital
Reserves and Surplus
Mobilisation of Deposits
Working Capital
Loan Demand
Number of Borrowers
Borrowings
Recovery Performance
Overdue
Default in Repayment of Loan
Bad Debts
Loan Due to the TNCHF and the Loan Due from the Members
Loanees Expired and the Amount of Compensation Received
Premature Closure of Loans
Expenses
Profit and Loss
Dividend
Parameters for Comparative Performance
Comparative Performance - Statistical Analysis
Hypothesis
SUMMARY OF FINDINGS, CONCLUSIONS AND RECOMMENDATIONS

Findings of the Study
Conclusions
Scope for Further Research
Recommendations

BIBLIOGRAPHY

Appendix-I  Questionnaire for the Secretaries of the Urban Co-operative Housing Societies in Tirunelveli Region

Appendix-II  Interview Schedule for Borrowers of Loan from Urban Co-operative Housing Societies in Tirunelveli Region
