ACKNOWLEDGEMENT

The author wishes to record here his deep sense of gratitude to his ex-supervisor, Professor S.H. Rasul (Retired) who guided the author's work for his M.Phil. degree, and also suggested the present research topic, under whose able and inspiring guidance a part of this work completed. He is also thankful to Professor V.K. Srivastava, Chairman, Department of Geology, A.M.U., Aligarh, for his constant encouragement in course of this work and for providing research facilities in the department.

The author takes great pleasure in expressing his deep sense of gratitude and thankfulness to his supervisor, Dr. Mahshar Raza, Lecturer, Department of Geology, A.M.U., Aligarh, under whose excellent guidance the work has been accomplished in due and appropriate time. Without his infusing perennial dedication, unthinkable patience and literary ingenuity this work could not have been completed.

The author is also personally grateful to Dr. L.A.K. Rao, Lecturer, Department of Geology, A.M.U., Aligarh, for his constant and unfailing encouragement.

It is a pleasure to acknowledge Professor N. Ahmad, Prof. S.M. Casshyap, Dr. S.H. Israel, Mr. N. Ghani, Dr. Iqbaluddin,
Dr. B. D. Bharadwaj, Mr. M. H. A. Sajid, Mr. Sami Ahmad, Readers, and Dr. S. Farooq, Department of Geology, A.M.U., Aligarh, Dr. R. C. Tiwari, Dr. Rashid Hasan, Lecturer, Department of Physics, A.M.U., Aligarh, and Mr. Khalid A. Farooqui (J.N.M.C.) for their frequent productive suggestions and encouragement, and Mr. S. Hamid (Programer, Computer Centre, A.M.U., Aligarh), for the help in computer programing of the data.

Sincere thanks are also due to Dr. R. A. Akhunji, Dr. M. Ajmal, Dr. Anwar Rais, Scientist (IBM), and Mr. Iqbal Siddiqui. The author is also thankful to Messrs S. Rais, M. Aquil, I. R. Ansari, S. A. Ali, M. Salman, A. Hasnat, S. H. Alvi, research scholars in Geology, A.M.U., Aligarh. Many thanks are also due to Messrs Zulfiquar A. Khan, Tariq Siddiquie, Nadeem A. Khan, Shahid Q. Faridi and Suhail A. Khan.

Sincere thanks are also due to Drs. Paropkari, Walsangkar, Gupta, Victor, Nigam, Mr. Murthy, Scientists, National Institute of Oceanography, Dona Paula, Goa, who guided the author in achieving the proficiency in chemical analysis and for rendering help in carrying out petrographic studies.

The author gratefully acknowledges Mr. Gupta, Manager, Manganese Mines, Garividi, Srikakulam district, Mr. S. V. G. K. Rao, Senior Geologist, Geological Survey of India, for extending help in many ways during the field work.

The author is highly grateful to Prof. J. S. R. Krishna Rao,
Head, Department of Geology, Waltair University and Mr. S.L. Mehra, Director, G.S.I., A.P. Circle, North, for encouragement, helpful suggestions and for providing some useful literature.

Many thanks are also due to Messrs Fazal-ur-Rahman, Date, Sirsat, Jain, Wahidullah and Chittari for photography, Cartography and Mr. Mashhood Alam Raz and Mr. Viquar Husain Jafri for typing the manuscript.

To his elder brothers, Padma Shri Dr. H.N. Siddiquie, F.N.A., F.N.A.Sc.I, Director, National Institute of Oceanography, Dona Paula, Goa, Dr. Y.N. Siddiquie, Scientist, S.3, I.V.R.I., Izatnagar, Mr. S.N. Siddiquie, Officer-in-Charge, N.M.D.C., Raipur, Mr. I.N. Siddiquie, Engineer, P.W.D., Badaun, and Major M.N. Siddiquie, Indian Army, the author expresses his particular gratitude for their unqualified help, constant encouragement and good wishes in course of this work. Mrs. Nuzhat Siddiquie, my niece who constantly encouraged me during the course of this work, deserves special thanks.

The award of the C.S.I.R. (S.R.F.) is also thankfully acknowledged.

FARHAT NASIM SIDDQUIE
