ACKNOWLEDGEMENT

This thesis is the result of the work carried out under the guidance and supervision of Dr. T. RAMACHANDRAN, P.G. Department of Economics, Sethupathi Government Arts College, Ramanathapuram to whom a great debt of gratitude is owed. I also gratefully remember him for his valuable sustained guidance, inspiring encouragement throughout this work. His patient perusals of the manuscript, his stimulating hints and suggestions have been mainly responsible for shaping my thinking into a thesis. No words can adequately express my gratitude to him.

I record my profound sense of gratitude to Dr. S. SUDALAIMUTHU, Vice-chancellor, Alagappa University, Karaikudi for his inspiring encouragement to finish my thesis work.

I wish to record my deep sense of gratitude to Dr. M. SELVAM, Professor and Head, Department of International Business and Commerce, Alagappa University, Karaikudi for his constructive criticism and expert advice.

I would like to record my sincere thanks to Dr. T.R. GURUMOORTHY, Dean, College Development Council, Alagappa University, Karaikudi, for his help and encouragement to complete my research work.

I wish to record my deep sense of gratitude to The Director of Collegiate Education Chennai, The Regional Joint Director of Collegiate Education, Madurai and The Principal, Sethupathi Govt. Arts College, Ramnad for their invaluable help to finish this humble work.

I owe a lot to Dr. C. Suyambulingam, Professor of Mathematics (Rtd.) Tamil Nadu Agricultural University, Coimbatore for his invaluable help in finding statistical tools for analyzing data.

I wish to acknowledge my colleagues, Department of Economics, Sethupathi Government Arts College, Ramanathapuram for their assistance in finishing this work.
I extend my sincere thanks to Dr. S. Rajendiran, Professor and Head, Research Department of Economics, Arumugam Pillai Seethai Ammal College, Tirupathur, Dr. K. R. Jeyakumar Associate Professor of Economics, Arumugam Pillai Seethai Ammal College, Tirupathur, Dr. B. Muthukumar, Associate Professor of Mathematics, Sethupathi Government Arts College, Ramanathapuram for their encouragement in completion of the work.

I would like to record my sincere thanks to Dr. I. Henry Louis, Member Coconut Development Board, Tamil Nadu for their response in providing information in Coconut Production in Kanyakumari District.

I wish to acknowledge with thanks the aid and hospitality of Librarians, Madras Institute of Development Studies, Chennai and Coconut Development Board, Cochin.

I extend my sincere thanks to my family members for their encouragement in completion of the work.

Finally, I thank God, Almighty by whose Grace I am able to finish this work.

(P. Devasundaram)
