

## ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Dr. M.A. Beg, Reader in the Department of Chemistry, Aligarh Muslim University, Aligarh, for his valuable and inspiring guidance throughout this work.

Thanks are due to Professor Wasiur Rahman, Head, Department of Chemistry, for providing research facilities in carrying out this work.

I am also thankful to the Council of Scientific and Industrial Research, New Delhi (CSIR) for financial assistance. Last but not the least, the assistance of the members of the Physical Section, Department of Chemistry, Aligarh Muslim University, Aligarh, is gratefully acknowledged.
