ACKNOWLEDGEMENTS

I am deeply grateful to the following people for their support during this research work:

To my research supervisor Prof. M. S. Balasubramani, for guiding me through the research work, always patiently listening to me, constantly encouraging me in his most gentle manner to learn more, and supporting me in the deviations I took.

To Dr. Raji Pilakkat, the present Head, and Prof. V. Krishna Kumar and Dr. P. T. Ramachandran, the former Heads of the Department of Mathematics of University of Calicut for providing research facilities and helping me in all the ways they can.

To all other faculty members, staff, research scholars and students of the Department of Mathematics of University of Calicut, for providing me help for the past several years.

To the management, Principal Dr. M. J. Mathew, all my colleagues and students at Mahatma Gandhi College, Iritty for encouraging and helping me in several ways during the research work.

To Dr. Saji Mathew and Dr.(Sr.) Princy K. L. for familiarising me with \LaTeX{} and leading me through all the technical formalities in the course of research.
To Mr. Gangadharan N., Mr. Easwaran Namboothiri T. C., Dr. Joymon Joseph, Dr. Baby Chacko, Mr. Kuttappan C, Mr. Harish V. K., Mr. Rajish Kumar P., Mr. Nandakumar M., Mr. Vinod Kumar P., Mr. Shameen M. K., Mr. Ratheesh K. P., Mr. Shiju Joy, Ms. Seena V., Mr. Libeeshkumar K. B. and Ms. Akshaya T. A. for their motivation, help, suggestions and support to my thesis work.

To my parents and all my relatives and well wishers for their blessings and care.

To my wife Dr. Jisha P.S. and daughter Isha for their love, patience, and support.

To God, the Almighty, for his bountiful blessings.

Bijumon Ramalayathil
