ACKNOWLEDGEMENTS

In the name of Allah, the Beneficent, the Merciful
Praise be to Allah, Lord of the Worlds
(The Holy Quran, 1: 1)

Every academic work owes its existence to the work and crudity of numerous predecessors. A great debt is owed to the pioneers of marketing strategies, who identified and contributed major ideas to its development.

First and foremost I express my gratitude to Professor Javaid Akhtar, Dean and Dr. Khalid Azam, Chairman, Department of Business Administration, Faculty of Management Studies and Research, Aligarh Muslim University, for their encouragement and support. It was because of them, that this work became possible.

I wish to also express my deep and heartfelt gratitude to my teachers Dr. Parvaiz Talib, and Dr. Israrul Haque, for their support in completing this work.

I am thankful to numerous business executives, engineers and managers with whom I had discussion in context of this study. I remain thankful to them for sharing information and data, replying to my mails and giving me time to discuss my idea. Mr. Naka Nishi Managing Director, Maruti Udyog Ltd., Mr. Alok Parikh, All India Sales Head, Mr. Pankaj Narula, All India Service Head, Mr. Capt. A Choudhary, Service Zone Head and Mr. B.B. Parekh the Production Head of Maruti Udyog Ltd. Dr. V. Sumantran Executive Director, of Passenger Car Business Unit of Tata Motors and Mr. Vikram Sinha Head, PCBU, Pune Plant deserve a special thanks for extending their hospitality and also for sparing their valuable time for answering to queries for the study.

Mr. Han Woo Park, Managing Director and CEO of HMIL, Mr. Arvind Saxena the Director, Sales & Marketing, Mr. R. Srinivasan, General Manager, Production and Mr. S. Krishnan, Vice President, Commercial of Hyundai Motors India Ltd. were also very helpful and cooperated within the non confidential domain of information
sharing for their organization. Prof. Sarad Sarin of XLRI, an expert in Strategic Marketing consultancy, needs a special mention, as he was kind enough to spare time and was helpful in designing the instrument for the Qualitative Study.

I am thankful to all the Car dealers of Tata Motors, Hyundai Motors India Ltd., and Maruti Suzuki at Aligarh, Gurgaon, Chennai, Pune and Jamshedpur for allowing me to interview their customers who came for test drive to their outlets.

I am also thankful to the companies, librarians and office staff of various organizations who extended their cooperation in completing this work. Md. Umair was the real help, behind type setting the manuscripts, of the work. Mr. Nadeem was helpful for statistical assistance using SPSS 17.0 for data analysis.

I acknowledge the support of the following Institutes / Universities / Organizations during the literature survey and data analysis.
1. Seminar, Department of Business Administration, AMU, Aligarh
2. Maulan Azad Library, Aligarh Muslim University, Aligarh
3. XLRI, Jamshedpur
4. Tata Management Development Centre, SNTI, Jamshedpur
5. Tata Motors, Pune
4. Tata Motors Jamshedpur
5. Maruti Udyog Limited, Gurgaon
6. Hyundai Motors India Ltd, Chennai

I am particularly thankful to Mr. B. K. Sinha, EIC, Agrico, Jamshedpur, Mr. Desmond Dunne, the EIC of Tata Robbins Frazer, who is no more, and Dr. Mohd. Abbas of Bangalore for enabling me to get appointments with various firms for interviews, plant visits and towards data collection.
My parents who have been a constant source of strength and inspiration for anything and everything I have ever done in my life, and their prayers went a long way towards accomplishing this task.

Finally, I would also like to express my deepest thanks to my wife, Dr. Sheeba Ali whose constant support and worries throughout my work were helpful and kept me working, and my dearest children Aashir, and Ameera for their patience, support, and encouragement. Without their love, affection, and sacrifices, this study would not have been accomplished.
