I would fain offer my heartiest thanks, in no small measure, to my respected guide and supervisor **Dr. E. Thandapani, M. Sc., Ph. D.**, Head of the Department of Mathematics, Periyar University, Salem, Tamil Nadu, India for his invaluable guidance, constant support, scholarly discussions and unstinted help in the preparation of this thesis. I owe a debt of gratitude to him for being so generous and kind hearted in placing his knowledge gained through years of experience at my disposal in bringing out this thesis with confidence and hope. The dimensions of this writing stem directly from his constant help and encouragement.

I would also like to record my thanks to **the Director**, Collegiate Education, Chennai - 6, Tamil Nadu, and **the Registrar**, University of Madras, Chennai - 5, Tamil Nadu, for permitting me to do my research in Periyar University, Salem, Tamil Nadu, India.
I appreciate and thank the **Librarians** of

1. Institute of Mathematical Sciences, Chennai,

2. Indian Institute of Technology, Chennai,

3. Ramanujan Institute of Advanced Studies in Mathematics, Chennai,

4. Anna University, Chennai,

5. Indian Institute of Science, Bangalore,

who readily came forward to help me in this endeavor.

I am extremely grateful to **Thiru. P.S. Raja, M.Sc., M.Phil., M.Ed.,** P.G. Assistant, Little Flower Higher Secondary School, Salem for his excellent and valuable technical assistant in the preparation of the thesis.

I am also grateful to my wife **Mrs. S.Mary Kamala, B.A.,** whose constant encouragement and help has enabled me to complete my research successfully.

Above all, I wholeheartedly and sincerely thank God Almighty and pray that He may shower His Blessings upon all those who have helped during the period of my research.
