I express my deep sense of gratitude to Professor N. Ahmad, for his guidance and supervision throughout the course of this investigation. He was a constant source of inspiration without which this work could not have come to completion. I am also gratefully beholden to Professor V.K. Srivastava, Chairman, Department of Geology, Aligarh Muslim University, for his keen interest, encouragement and providing laboratory and seminar library facilities. Thanks are due to Professor S.H. Rasul, the then Chairman and Professor S.M. Casshyap, for encouragement. I have deep debt of gratitude and offer sincere thanks to Dr. K.K. Ghauri, who offered stimulating and helping suggestions at every stage of this work.

I am also thankful to Drs. B.D. Bhardwaj and M. Raza, for their help during this work. I am very much grateful to my friends, Dr. R.A. Akhunji, Messrs I.R. Ansari and S.A. Ali, for their help, without which it was not possible to finish the work in time.

I am also thankful to Mr. S. Danish Raza, Research Scholar, for his help in typing work and young Nadeemuddin Ahmad, for drawing the maps and diagrams for this thesis. I sincerely thank Mr. Fazlur Rehman Ansari, Senior Technical Assistant, Mathematics Department, Aligarh Muslim University and my friends Messrs Saeed
Ahmad and G. Mujtaba, for their help in preparation of photographs. The cartographic work carried out by Messrs Salimuddin Ahmad and Anis Alvi is duly acknowledged. I am also thankful to my friends Messrs Mazhar Husain Abdi and Anwaruddin Ahmad, Research Scholars, Statistics Department, for their help in the statistical work. The help given by Messrs Nadim Ahmad and Athar Abbas is also acknowledged.

Thanks are also due to Messrs Aqueel Ahmad, M. Aslam, F.N.Siddiqui, Adal Singh, Naresh Mathur and Abdul Rehman, for their help during the course of this work. I am also very thankful to my friends Flt Lt. Seraj Mehdi, Messrs Anis Ahmad, Pervaiz Alam, Shiv Raj Singh and K.U. Khan for their all round help and encouragement during the course of this work. Mr. S.M. Husain deserves a vote of thanks for his efficient typing work. Thanks are also due to Messrs Zakir Husain, Nazar Ali Khan and Feroz Javed and all other staff members of Geology Department, Aligarh Muslim University for their help during the course of this work.

I am very much grateful to Mr. Rashid Siddiqui, Advocate, Ambikapur (Madhya Pradesh) for providing all facilities during my stay in the areas around Ambikapur. I also thank Mr. A.C. Sharma, sub-Engineer and other employees of Shyam Gungatta Project, Sarguja (Madhya Pradesh) for accommodating me in their Rest House and help during the field work.
Partial financial assistance, borne by University Grants Commission in the form of Junior Research Fellowship is gratefully acknowledged.

Last but not the least, I wish to avail this opportunity to acknowledge the good wishes, constant inspiration and help received from my mother, sisters and brothers, Messrs Saulat Rais Siddiqui, Amir, Mohsin and Dr. Anwar Rais.
