The author wishes to express his sincerest gratitude and appreciation to Dr. M. Shamim Jairajpuri for supervising the present research work.

Special thanks are due to the Head, Department of Zoology, Aligarh Muslim University for providing the necessary laboratory facilities and to Drs. Q.H. Baqri and Shakil Ahmad for their helpful suggestions.

The author is highly thankful to his colleagues and well-wishers for their valuable advice and encouragement during the course of this work. The award of a research fellowship by the University Grants Commission, New Delhi is also gratefully acknowledged.
