Characteristics of High Energy Interactions
From the Production Spectra of Gamma Rays:

Paper I: High Energy \( \gamma \)-ray Spectra Near the Top of
the Atmosphere.

A. Hasan, A. K. Agarwal and M. S. Swami,
Department of Physics,
A.M.U., Aligarh-202001.

Paper II: Some Characteristics of High Energy Interactions
in Graphite.

A. K. Agarwal, F. Hasan and M. S. Swami,
Department of Physics,
A.M.U., Aligarh-202001.

Both the above papers are accepted to publish in
the Indian Journal 'PRAMANA'.
