ACKNOWLEDGEMENTS

I cannot adequately express my gratitude to Prof. Anwar Ansari, Head, Department of Psychology, Aligarh Muslim University, Aligarh, who helped me in many ways and extended all possible facilities required for the completion of this work.

I am deeply indebted to my Supervisor, Dr. A. Jamil Qadri, Reader, Department of Psychology, A.M.U. Aligarh, for his inspiring encouragement and critical guidance at every step during the course of this research. In fact without his continued precious advice and immense interest, this study could not have been completed.

I am also grateful to Dr. Qamar Hasan, Lecturer, Department of Psychology, A.M.U. Aligarh, for his sincere and constructive suggestions regarding the statistical analysis of the data of the present study.

A special mention must be reserved for all those subjects without whose participation this research could not have been possible.

Last but not the least I am also indebted to Mr. Jilani who typed this thesis.
