LIST OF TABLES

Table 4.1 : Finite Difference Equations for Unsteady One-dimensional Flow

Table 4.2 : Computational Equations for Unsteady One-dimensional Flow Using Zucrow-Hoffman Algorithm

Table 5.1 : Shock Wave Spread Using Zucrow Algorithm

Table 5.2 : Engine Specifications

Table 5.3 : Performance Characteristics of Husqvarna-MK1 Two Stroke Engine

Table C.1 : Coefficients Used for Calculating the Equilibrium Constants of Formation of Species from their Elements

Table C.2 : Coefficients for Computing Cp at Temperature T(k)
