### Chapter 1

**INTRODUCTORY FRAMEWORK, REVIEW OF LITERATURE AND METHODOLOGY OF THE STUDY**

1. Introduction                                                        | 2-5           |
2. Statement of the Problems                                            | 5-6           |
3. Review of the Literature                                            | 6-17          |
   a. Books                                                              | 17-21         |
   b. Reports and Case Studies                                          | 21-24         |
   c. Articles from Journals/Periodicals/Business Dailies               |              |
4. Research Gap and Scope of the Study                                  | 24            |
5. Objectives of the Study                                              | 24-25         |
6. Hypotheses of the Study                                              | 25-26         |
7. Research Methodology                                                 | 27-28         |
   a. Sources of Information                                            | 28            |
   b. Data Compilation and Tabulation                                   | 28-30         |
   c. Financial Ratios                                                  | 30-31         |
   d. Economic Value Added (EVA)                                         | 31-33         |
   e. Statistical Tools                                                 |              |
8. Significance and Utility of the Study                                | 33            |
9. Conclusion                                                           | 33            |
10. References                                                          | 34-38         |

### Chapter 2

**PERSPECTIVES ON INFORMATION TECHNOLOGY (IT) INDUSTRY IN GLOBALIZING INDIAN ECONOMY**

#### Section A

1. Business Environment of Information Technology (IT) Industry In India | 40-41         |
   a. Introduction                                                       |              |
   b. Setting up of IT Company in India                                  | 42-44         |
   c. Establishing of IT Company outside India                           | 44-45         |

---
Section-B

2. Evolution And Revolution Of Information Technology (IT) Industry In India
   a. Indian IT Industry – An Overview
   b. Indian Software Sector
   c. Indian Hardware Sector
   d. Indian ITES-BPO Sector

3. Conclusion
4. References

Chapter-3
PERFORMANCE EVALUATION OF INFORMATION TECHNOLOGY (IT) INDUSTRY IN INDIA SINCE ECONOMIC LIBERALIZATION

Section-A
1. Performance Evaluation of Overall Indian IT Industry
   a. Introduction
   b. Overall Market of Indian IT Industry
   c. Performance of Domestic IT Market
   d. Performance of Export IT Market
   e. Performance of Software Segment of Indian IT Industry
   f. Performance of Hardware Segment of Indian IT Industry
   g. Performance of ITES-BPO Segment of Indian IT Industry
Section-B

2. Performance Evaluation of Six Select Indian IT Companies
   a. Companies Profile
      (i) Tata Consultancy Services (TCS) 109-110
      (ii) Wipro Technologies 110-111
      (iii) Satyam Computers Services 111-112
      (iv) HCL Technologies 112-113
      (v) Pentasoft Technologies Limited 113-114
      (vi) I-Flex Solutions Limited 114-115
   b. Physical Performance of Six Select Indian IT Companies
      (i) Total Revenue 115-117
      (ii) Net Profit Earnings 118-119
      (iii) Net Foreign Exchange Earnings 120-121
      (iv) Export Revenue 122-123
      (v) Employment Generation 124-125
   c. Financial Performance of Six Select Indian IT Companies
      (i) Current Ratio (CR) 126-127
      (ii) Debt-Equity Ratio (DER) 127-128
      (iii) Net Profit Ratio (NPR) 128-129
      (iv) Return on Capital Employed (ROCE) 129-130

Section-C

3. Conclusion 130-132
4. References 132-133

Chapter 4

PERFORMANCE EVALUATION OF INFOSYS TECHNOLOGIES LIMITED
1. Introduction 135
2. Historical Perspective 135-137
3. Indian IT Industry and Infosys Technologies Limited 137-138
4. Physical Performance Evaluation
   a. Total Revenue, PAT, PBIDT 139-142
   b. Earnings by Industry Segments 143
   c. Earnings by Geographical Segments 144
   d. Share Capital and Earnings 145-147
   e. Human Resources 147-148
   f. Research and Development (R&D) 148-150
   g. Foreign Exchange Earnings 150-151
   h. Strategic Investments 151-153
5. Financial Performance Evaluation 154-158
