Appendix B

Copies of schedules used in collecting data about Family, Agricultural labour, Industrial labour, Emigrants and Land in the village. Schedules Nos. 3 and 4 were used largely as 'open-end' questionnaires. Data about the emigrants was collected either directly from them meeting personally when they came to the village for a short visit, or from other members of their family or from their relatives living in the village.
FAMILY CENSUS CARD

Caste: 
Sub-caste: 
Name of the Head: 
Living in your own house OR a hired house?

Number of persons in the Family and particulars about them:
