APPENDIX - IV
ATTITUDE TOWARDS MULTI-MEDIA APPROACH

Name: ____________________________
Roll No.: ___________
Class: ___________ Date: _______

The following is a list of 22 statements expressing various levels of attitude towards the way through which you have learnt English Grammar. The way you have studied grammar is called Multimedia approach because it is composed of a number of methods or media like programmed learning material, tables, charts, exercises etc. We want to know what you feel about this approach of learning English grammar. Please read each statement carefully and then,

(i) put a tick ( ) in the blank provided after each if you agree with the statement.
(ii) put a cross ( X ) in the blank provided after each if you do not agree with the statement.

This is not an examination. There are no right or wrong answers to these statements. This is simply a study of student's attitudes towards the multimedia approach, the approach through which you have learnt English Grammar.

People differ in their opinions about this. Therefore, please, indicate your own attitude:

(1) I feel I would have done better in my earlier examinations if I had learnt through multimedia approach. ( )
(2) I would like to learn some other subjects also through multimedia approach. ( )
(3) Like any other approach to instruction, multimedia approach also has some good as well as bad points. ( )
(4) Multimedia approach is all right for learning certain subjects ( )
