

**ACKNOWLEDGEMENTS**

The investigator feels deeply indebted and grateful to Dr.(Ms.) Nalini Ogale, Retired Professor, Department of Home Management, Faculty of Home Science, M.S.University of Baroda, Baroda. Her invaluable guidance, constructive suggestions and constant encouragement provided throughout the period of the study, have been of immense value to the investigator.

The investigator is highly grateful to Prof. Anupama Shah, Dean, Faculty of Home Science, M.S. University of Baroda, for her encouragement and support during the crucial period of the research work.

Sincere thanks are extended to Prof. Rachel George, Head, Department of Home Management, Faculty of Home Science, for encouragement and facilitating the progress of the study.

Sincere thanks are extended to Dr. (Mrs.) Veena Gandotra and Mrs. Asha Dass for their moral support and encouragement especially during the stressful periods.

A special note of thanks to the authorities of 'Green Seal', U.S.A., 'Environmental Choice', Canada, 'The Blue Angel', Germany and 'Japan Environment Association', Japan, for sending the literature highly valuable for the investigation.

Thankful appreciations are extended to all the judges for their help and suggestions; to Mr. Kirkire, Lecturer,

Department of Statistics for his expertise provided in statistical analysis of data; and to all the respondents for their valuable co-operation in providing data for the investigation.

Thanks are extended to Dr. U. Nanavati, Dr. R.K. Raval, Mrs. Jaya Mishra from Department of English, Faculty of Arts, for their generous help in reading the proof and editing the manuscript.

Ami Majmudar deserves sincere thanks for her unstinted help extended to the investigator. Sandeep Damre and Rima Chaurasia deserve thanks for the help extended to the investigator. Special thanks are extended to Kalpana and Atul Jinwala, Pramila Sharma, investigator's Phuphaji and cousins, for their moral support and all possible help extended during the course of study. Thanks are also extended to all those who have helped the investigator directly or indirectly during the course of this study.

The investigator lacks words to express her profound thanks to her mother, a source of constant inspiration and encouragement, and to her dear son, Apekshit, for demonstrating understanding and maturity beyond his age during an often trying period. The investigator is highly indebted to both of them, without whose co-operation the study would not have been completed.
