ACKNOWLEDGEMENT

I acknowledge a deep sense of gratitude towards Dr. M.B. Bach, former Head, CASE, The M. S. University of Baroda, for providing me the opportunity to work in an atmosphere conducive to academic endeavour at the Centre which is one of its kind in India.

I take this opportunity to express my heartfelt thanks to Dr. B. K. Passi, Prof. & Head, Indore University, Indore (former Reader in CASE), under whose increasing and inspiring guidance, I had the privilege to work. This being a developing area of research, Dr. Passi, with his deep insight into the field of special education and vast research experience was successful in enlightening the investigator to take up the challenge at all stages of the study.

I record my sincere thanks and appreciation towards Dr. Jyotsnaben Shah, Director of Social Welfare, Gujarat State and Mr. Badahia, Agency Superintendent for permitting me to conduct the experiment at "Home for Mentally Deficient Children", Baroda. I owe my gratitude to the teachers, children and their parents, H.M.D.C., Baroda, for their continuous help and cooperation in completing the study satisfactorily.

I express my sincere thanks to Dr. N. S. Pathak,
Dr. A. Mehta, Baroda, Shri S. K. Majumdar, Dr. T. S. McConnell for giving expertised guidance.

A deep sense of appreciation is recorded towards the Director, I.C.S.S.R. for providing the financial assistance during the study.

The investigator takes pleasure in thanking Mr. A. N. Mishra, Miss S. Tudu and Mr. D. Tudu for extending their help rendered in need at different stages of research.

Last but not the least, it is indeed difficult to express gratitude and appreciation adequately to the nearer and dearer friends and family members for their invaluable and untiring help in completing research.

BARODA,
24 October 1977
