

LIST OF TABLES

TABLE NO.		PAGE NO.
1.	The Estimated Rural and Urban Population in 1981 in Nainital district, Uttar Pradesh.	100
2.	Position of Women's Development and Welfare programmes in District Nainital.	105
3.	Distribution of the Households Selected From Three Blocks.	108
4.	Characteristics of Heads of the Families.	121
5.	Family Type and Size.	124
6.	Family Members Involved in Farming.	125
7.	Earning Members in the Family.	126
8.	Monthly Income Sources of Respondents' Family.	128
9.	Income of the Respondents' Family.	131
10.	Personal Characteristics of the Respondents.	134
11.	Assessment of Personality Traits Found Among Respondents	137
12.	Ordinal Position of the Respondents Among other Female Members.	140
13.	Extent of Respondents' Involvement in Household Decisions : Food Management.	144
14.	Extent of Respondents' Involvement in Household Decisions : Clothing Management.	146
15.	Extent of Respondents' Involvement in Household Decisions : Maintenance of House and Home Decoration.	148
16.	Extent of Respondents' Involvement in Decisions Related to Household Expenditure.	150

X

17.	Extent of Respondents' Involvement in Decisions Related to Expenditure on farm.	155
18.	Extent of Respondents' Involvement in Decisions Related to Expenditure on Income Generating Activities and Accounts keeping.	157
19.	Extent of Respondents' Involvement in Household Decisions : Saving Investment and Credit.	159
20.	Extent of Respondents' Involvement in Household Decisions : Education and Occupation.	162
21.	Extent of Respondents' Involvement in Household Decisions : Marriage of Children.	166
22.	Extent of Respondents' Involvement in Household Decisions : Social and Religious Activities.	168
23.	Extent of Respondents' Involvement in Household Decisions : Family size and Child Rearing Practices.	170
24.	Extent of Respondents' Involvement in Household Decisions, Health and Hygiene Problems.	173
25.	Extent of Respondents' Involvement in Household Decisions : Recreation for the Family.	176
26.	Extent of Respondents' Involvement in farm Decisions : Buying and Selling Activities.	181
27.	Extent of Respondents' Involvement in Decisions Related to farm : Measure to be Taken to Increase Production Harvesting and Money Centered Decisions.	185
28.	Extent of Respondents' Involvement in Decisions Related to Livestock Management.	190
29.	Extent of Respondents' Involvement in Decisions Related to Income Generating Activities.	194

XI

30.	Extent of Respondents' Involvement in Income Generating Activities : Selling of Products..	196
31.	Decision Making Profile of Respondents Related to various Aspects.	198
32.	Extent of Respondents' Participation in Decision Implementation : Buying Activities.	203
33.	Extent of Respondents' Participation in Decision Implimentation : Household Chores, Social and Religious Activities.	206
34.	Extent of Respondents' Participation in Decision Implementation : Money Centered Activities.	214
35.	Extent of Respondents' Participation in Decision Implementation : Pre-sowing Activities.	218
36.	Extent of Respondents' Participation in Decision Implementation : Harvesting, Threshing and Marketing Activities.	223
37.	Extent of Respondents' Participation in Decision Implementation : Buying and Selling of Livestock.	226
38.	Extent of Respondents' Participation in Decision Implementation : Care of Lisestock.	229
39.	Extent of Respondents' Participation in Decision Implementation : Disposal of Milk and Milk Products.	231
40.	Extent of Respondents' Participation in Decision Implementation : Income Generating Activities..	234
41.	Participation Profile of Respondents in Various Activities.	239
42.	Types of Income Generating Activities Performed by the Respondents.	245
43.	Types of Income Generating Activities Performed by Respondents by their Relational Position in the Family.	246

XII

44.	Initial Investment Made by the Respondents to start Income Generating Activities : Agricultural.	248
45.	Initial Investment Made by the Respondent to start Income Generating Activities : Non Agricultural.	249
46.	Monthly Expenditure made by the Respondents to Run Income Generating Activities.	250
47.	Disbursement of Money Earned by Respondents Through Gainful Employment and Income Generating Activities.	251
48.	Money Disbursement According to the Relational Position of the Respondents in the Family.	252
49.	Management of Money Earned by the Respondents.	253
50.	Extent of Control Respondents had over their Earnings.	255
51.	Control over Earnings of the Respondents by their Relational Position in the Family.	256
52.	Extent of freedom in Spending the Money Income.	257
53.	Extent of Freedom to spend Money by Relational Position in the Family.	258
54.	Importance given to Respondent by Family Members as a Contributor to the Family.	259
55.	Acceptance of Respondents' Advice by the Family members.	260
56.	Reasons for Acceptance of Respondents Advice.	262
57.	Reasons for Not Accepting the Advice of the Respondents.	263
58.	Multiple Regression Analysis showing the Influence of Personal, Family and situational variables on Extent of Involvement in Decision Making by the Respondents.	268

XIII

59.	Stepwise Regression Analysis showing the Influence of Respondents' Personal, Family and Situational Variables on Extent of Involvement in Decision Making by the Respondents.	269
60.	Personality Traits Influencing Extent of Involvement in Decision Making.	271
61.	Combined Influence of Significant Personality traits on Extent of Involvement in Decision Making.	273
62.	Chi-square values showing Association Between Participation in various Activities and Personal Family and Situational variables.	275
63.	Correlation coefficient values showing Relationships Between the Extent of Respondents' Involvement in Decision Making and Decision Implementing.	281
64.	Multiple Regression Analysis showing the Influence of Role played in Money matters by the Respondents contributing Income to the family and Extent of Decision Making.	282
65.	Step wise Regression Analysis showing the Influence of Role played in Money Matters by the Respondents Contributing Income to the family and Extent of Decision Making.	283
