Some situations are given below. One pupil is involved in each situation. Reach each situation carefully and then think what that pupil, who is involved in that situation, will think to do. Indicate your answer by tickmarking (\_) any one of the alternatives given below each situation.

1. The teacher praised Tenzing as a very good student and pointed out that he got the highest percentage of marks in Mathematics. Nima also got the same percentage of marks, but the teacher forgot to mention his name. What does Nima thinks? Mark any one of the statements:

(____) The teacher is partial towards Tenzing.
(____) The teacher should have praised me too.
(____) I should see the teacher after class and show him my marks.
(____) I hope some other day the teacher will praise me.

2. Namgyal was dozing in the class. He had gone to a late variety programme the previous evening. The teacher warned him for sleeping. What will Namgyal do? Check one of the following statements:
175

(____) He will tell his friends that the lesson was boring and so he was sleeping.

(____) He will feel ashamed and cry.

(____) He will explain to the teacher why he was feeling sleepy.

(____) He will feel that he should not have slept in the class.

3. Phurba lost his pen. So he was not taking down the notes dictated by the teacher. The teacher scolded Phurba. What will Phurba do? Check one of the following statements:

(____) He will feel that the teacher should have found out why he was not taking the notes.

(____) Will grumble against the teacher for dictating notes.

(____) Will think that the teacher scolded because the teacher does not know why he is not writing.

(____) Will try to explain his predicament to the teacher and will request him to lend a pen.

4. There was a function in the school. An outside speaker was addressing the children. The children could not follow the speech and were feeling bored. They were whispering among themselves. The class teacher scolded the children. Doma was one among the children. What will Doma do? Check one of the following statements:

(____) He will join other and make noise whenever the class teacher is not looking at them.
176

(____) Will think that it is his duty to obey the teacher and not bring a bad name to the school.

(____) Will tell the teacher afterwards that the speech was boring and uninteresting.

(____) Will blame himself and will think that he should not have done so.

5. The teacher praised Basnet for having solved a difficult sum which was given as a part of home assignment. Basnet has actually taken the help of his elder brother in solving that sum and felt that the teacher should know this. What will Basnet do? Check one of the following statements:

(____) He will go to the teacher and tell him that he had taken the help of his brother.

(____) He will like to tell the truth to the teacher, but somehow feels shy.

(____) He will feel that as he had completed his homework, he deserves praise.

(____) The teacher has not realized the trick. There is no reason for him to go and tell him.

6. A team from Ranbahadur's school went to play a match against another school. During the match, there was a quarrel between the two teams and Ranbahadur took a leading part in the fight that ensued. The teacher from the other school sent a complaint that one boy from his school had made a row. The teacher enquired about the cause of fight, and wanted to know who had taken the leading part
in the fight. What will Ranbahadur do? Check one of the following statements:

(____) Ranbahadur will explain to the teacher and will admit that it was he who took the leading part.

(____) Will think that the teacher will scold him, so he will keep quiet.

(____) He will feel sorry that he participated in the fight & will hope that the teacher will not find out.

(____) Will feel that it is teacher’s duty to enquire about the happening to prevent it in future.

7. In the class, boys were having elections for the post of monitor, Pema was one of the two candidates contesting the elections. However, he lost. How did Pema feel? Check one of the following statements:

(____) Felt sorry, but took the result in a sporting way.

(____) Felt cheated by his friends and suspected that they did not give him their votes.

(____) Felt that he should not have stood for the election.

(____) Felt that his friends had done their best and that it is just his ill-luck that he lost it.

8. The teacher wanted to hold a private class on a Sunday to finish the course before the examination. Nima did not like the idea of going to school on a holiday. What will he do? Check one of the statements:
(____) He will think that the teacher was trying to show off by asking them to come to class on a Sunday.

(____) He will think that the teacher should have finished his course without resorting to the extra class.

(____) He will explain to the teacher his difficulties and suggest they should meet some other day.

(____) He will feel that the teacher is trying to help them by giving extra coaching.
