Answer booklet for thematic Appreciation test (T A T)

NAME: SEX: 

INSTRUCTIONS:

We want to know about your imagination. You will be given a blue covered booklet with six pictures, which you have to see one by one. Only 20 seconds will be given to observe picture. You will be required to write a story based on this picture in four minutes only.

This booklet for story writing has six pages. On each page four questions are given. You have to answer each question in a single minute so that you may complete the story for that picture in four minutes only. There are six pictures and you have to write a story for each. Thus you have to write six stories in all.

You will be warned at the end of every minute. With this warning you may leave answering the first question and try to attempt the second question. In the same way you have to answer the remaining third and fourth questions each in a minute. If you complete answering one question before a minute you may try to answer the next question. You need not write only simple answers. These questions are suggested to help you in developing a nice story.

This has nothing to do with the correct or incorrect answers. You have to make a story of your own imagination. Try to make the story impressive and dramatic because we want to know how you develop a beautiful story. You will have to hurry up as you should complete the story only in four minutes. You need not pay any attention to your spellings and grammar. If you have not understood any instruction, you may ask me right now.
