ACKNOWLEDGEMENTS

I am indebted to Dr. B.N. Masumdar, Sr. Professor and Head, Department of Physiology, B.J. Medical College, Ahmedabad, for his highly valued guidance during the tenure of this study.

I am grateful to the textile workers of Shri Ambica Mill, Shri Dinesh Woollen Mill and New India Industries Limited for their kind co-operation, without their help this study would not have taken the present shape.

I am grateful to Dr. C.A. Desai, Professor and Head, Department of Physiology, Medical College, Baroda for rendering valuable suggestions and encouragement for this investigation.

I am obliged to the Dean, Dr. P.T. Acharya, Medical College, Baroda and the managements of Shri Ambica Mill, Shri Dinesh Woollen Mill and The New India Industries Ltd. for providing facilities for carrying out this work.

I am also grateful to Miss Pragun Shah, Computer Programmer, for doing statistical analysis.
