ACKNOWLEDGEMENT

It is indeed with a deep sense of gratitude and indebtedness I express my sincere and heartfelt thanks to Dr. P.M. Ambadkar, Reader in Zoology, Faculty of Science, M.S. University of Baroda, Baroda for the suggestion of the problem. The final form and substance of the thesis are the result of his inspiring guidance, constructive criticism and constant encouragement.

I extend my sincere thanks to Dr. R. V. Shah, Professor and Head, Department of Zoology, M.S. University of Baroda, Baroda for encouragement, invaluable suggestions, and for extending all possible facilities for the successful completion of the research project.

Thanks are also due to all my colleagues in the department for their help, rendered in one form or the other, in the preparation of the thesis.
