

ACKNOWLEDGEMENTS

*I wish to express my heartfelt gratitude and deep sense of indebtedness to my supervising guide and teacher **Dr P. K. Surendran**, Ph.D., Principal Scientist (Retd.) and former Head of Division, Microbiology, Fermentation and Biotechnology Division, Central Institute of Fisheries Technology, for his motivation, excellent guidance and constructive criticism throughout the study period; right from planning of research to the preparation of this thesis. It is indeed my good fortune for having the opportunity to work under him. He has been my source of inspiration throughout my career and it is from him I tried to learn the skills for planning and executing research in food microbiology. I express my sincere thanks for his magnanimity.*

*I am sincerely thankful to **Dr B. Meenakumari**, Director, Central Institute of Fisheries Technology for her encouragement and for providing excellent facilities to carry out my research work.*

*I am gratefully obliged to **Dr K.V.Lalitha**, Head of Division, Microbiology, Fermentation and Biotechnology Division, Central Institute of Fisheries Technology for her help, constant support and advise rendered during my period of research.*

*I express my sincere thanks to **Dr Nirmala Thampuran**, former Head of Division, Microbiology, Fermentation and Biotechnology Division, Central Institute of Fisheries Technology and an expert on Vibrios for her encouragement and guidance during my work on Vibrios. Nothing could adequately repay the help rendered by her.*

*I express my thanks to **Dr Toms C Joseph**, Scientist (SG) and **Dr Rakesh Kumar**, Scientist (SS), Microbiology, Fermentation and Biotechnology Division, Central Institute of Fisheries Technology for timely and valuable suggestions during my work on real time PCR and PCR fingerprinting.*

*My reverence is due, to **Dr K. Devadasan**, Former Director, Central Institute of Fisheries Technology, **Sri Sibsankar Gupta**, Former, SIC, Visakhapatnam Research Centre of CIFT, **Dr D. Imam Khasim**, SIC, Visakhapatnam Research Centre of CIFT, **Sri A.K. Chattopadhyay**, Principal*

Scientist (Retired), **Sri V. Narayanan Nambiar**, Principal Scientist (Retired), **Dr R. Chakrabarti**, Principal Scientist, **Dr M.M. Prasad**, Principal Scientist for their words of support and encouragement during the period of study. I also wish to thank **Dr G. Rajeswari**, **Dr R. Raghu Prakash**, **Dr U.Sreedhar**, **Dr Sanjoy Das**, Senior Scientists, CIFT for their earnest support.
