

# Declaration

*I hereby declare that the thesis entitled "Studies on the Adducts of Coordinatively Unsaturated Co(II), Ni(II) and V(IV) Complexes with Bidentate Conjugated N-bases" is an authentic record of the research work carried out by me under the supervision of Dr. M. Padmanabhan, Director, School of Chemical Sciences, Mahatma Gandhi University, Kottayam. No part of this thesis has been presented earlier for the award of any other degree or diploma.*
