It is a golden opportunity to me to work under the guidance of my Research guide, Dr. M. Padmanabhan, Director (in-charge), School of Chemical Sciences, Mahatma Gandhi University, Kottayam, a man with full of knowledge and enthusiasm. I remember with deep sense of gratitude, the long hours he spent with me for discussing various problems involved during the research work, his inspiring guidance, keen interest and constant encouragement throughout the course of the work without which this work would never have been completed.

I am also thankful to Prof. V.N. Rajasbekaran Pillai, former Vice-chancellor Mahatma Gandhi University, Kottayam, for having benefited a lot from his valuable presence in the University during the period of my research work. I also remember with gratitude the opportunities we received because of him, to meet and attend to most of the eminent scientist and academicians of the country in our campus.

I remember with gratitude, the wholehearted help rendered by Dr. K.G. K. Warier, Scientist, RRL, Thiruvananthapuram for providing facilities for thermogravimetric analysis.

I also express my sincere thanks to Prof. K.K. M. Yusuff, (Head, Dept. of Chemistry) and his research group, Cochin University of Science and Technology to carry out the magnetic measurements. I am thankful to the Heads, RSCG Centres at IIT Madras, IIT Mumbai and Dept. of Chemistry, NEHU, Shillong for providing facilities for the analytical measurements.

I express my sincere thanks to all the faculty members and non-teaching staff of School of Chemical Sciences, MGU, for their valuable help and cooperation.

My special word of thanks to Mr. Mikki V. Vinodu, for his valuable help during my research work especially during the preparation of this thesis.

My special thanks to Dr. T.V. Mathai, Head, Dept. of Chemistry, CMS College Kottayam and Dr. Abraham Varghese, Professor, Mariboma College, Thiruvalla for their valuable suggestions and encouragements throughout the research period.

I wish to express my deep sense of gratitude to Mr. Lalumon V.G, Mrs. Preeti Suraj, Mrs. Rejmol George and Mrs. Meenakumari for their valuable suggestions and cooperation for the successful completion of this work.

I also express my sincere thanks to all my colleagues, Dr. G.J. Raju (Head of the Dept.), Dr. J. Maria Pushparaj, Dr. A.J. Lakshmanan, Mr. K. Hirian, Mr. P. Elangumaran, Mrs. M. Valarmathi, Mr. M. Esvara Moorthy, Mrs. R. Jamuna Rani, Mr. E. Ravichandran, Dr. B.N. Sivasankaran, Dr. N. Dharmaraj and Dr. C. Sadanandan, staff members Dept. of Chemistry, Govt. Arts College Ooty for their help, suggestions and whole hearted cooperation for the completion of the present work.

I remember with gratitude the help rendered by my close friends Dr. G.D. Gem Malbew, Mr. P.V. Anil Kumar, Dr. G. Unnikrishnan, Dr. Kalaprasad and Dr. George for their valuable suggestions and help for the successful completion of the work.

My sincere thanks to Dr. C. Arunan for his help and prompt services as Instrumentation Officer, School of Chemical Sciences, M.G.U., Kottayam.

I am thankful to all my friends in School of Chemical Sciences especially Dr. N.T. Madhu, Mr. KM. Sreedhar, Mr. Roice Michael, Mr. Prakash Chandran, Mr. T.K. Manoj Kumar, Mr. G.S. Vinod Kumar, Mr. J.M. Krishna Kumar, Mrs. V. Jayasree, Mr. P.K. Biju, Mr. P.K. Aji Kumar, Mr. G.
