ACKNOWLEDGEMENTS

Primarily, I would like to express my profound gratitude to Dr. (Mrs.) Uma V. Chudasama, Professor, Applied Chemistry Department, Faculty of Technology and Engineering, The M. S. University of Baroda, who constantly encouraged, inspired and guided me right from the beginning of this work.

I wish to express my gratitude to The Dean, Faculty of Technology and Engineering and to The Head, Department of Applied Chemistry for providing me all the required facilities to carry out my research work.

I wish to express my gratitude to Dr. S. K. Shukla, Director, Hydro Chem India Pvt. Ltd., Vadodara, for providing me phosphonic acids and Dr C. B. Upasani, Director, Jyoti Om Laboratory, Ankleshwar for providing me dye samples.

My thanks are due to Metallurgy Department, Faculty of Technology and Engineering, The M. S. University of Baroda, for helping me with SEM analysis. I convey my heartfelt thanks to Sud Chemie, Nandesari and Dr. N. Sharma, Geology Department, Faculty of Science, The M. S. University of Baroda for providing me instrumentation facilities during the course of my research work.

I extend my sincere thanks to all the teaching staff members who have helped me in many ways during my research work.
I am deeply thankful to my lab-mates Ms. Kalpana Maheria, Heemanshu Patel, Rikesh Joshi, Rakesh Thakkar and Parimal Patel for the keen interest they took in my work and the useful suggestions they gave me at various stages of my research work and the help rendered to me in each and every step of my work right from literature survey to compilation of the thesis.

I cannot forget the cooperation extended to me by the non-teaching staff members of the department.

The support extended to me by my "Grandmother, father, mother, sister and wife" has been the most instrumental in the accomplishment of this task. Last but not the least I would like to record my gratitude to my brothers "Vrajesh and Dr. Vipul", who made many sacrifices and helped me in reaching the platform where I stand today.

There are many people who helped me out at critical times. In this short space, it is just impossible to acknowledge all of them individually. I thank all of you, my friends and colleagues, who have been always with me, in times of need.

A. S. Jayswal
