TABLE OF CONTENTS

ACKNOWLEDGEMENTS : I
TABLE OF CONTENTS : II - V/
LIST OF TABLES : VII - IX
LIST OF GRAPHS AND BARCHARTS:
LIST OF APPENDICES:
CHAPTER I : EMERGENCE OF THE PROBLEM : 1 - 30
  1.1 Introduction 1
  1.2 Importance of Teachers 3
  1.3 Importance of Teacher's Mental Health 9
  1.4 Rationale of the Study 16
  1.5 Statement of the Problem 21
  1.6 Objectives of the Study 21
  1.7 Hypotheses Formulated 23
  1.8 Assumptions 24
  1.9 Delimitations of the Study 25
  1.10 Definition of the terms used 26

CHAPTER II : CONCEPTUAL FRAMEWORK : 31 - 62
  2.1 Introduction 31
  2.2 Frustration, Its nature and Occurrence 31
    2.2.1 Definitions of Frustration 36
    2.2.2 Some other Aspects of Frustration 37
    2.2.3 Theories of Frustration 41
      (a) Rosenzweig's Frustration Theory 41
      (b) Frustration Aggrression Theory 43
      (c) Frustration Regression Theory 44
      (d) Maier's Fixation Theory 45
    2.2.4 Varieties of Reactions to Frustration 46
    2.2.5 Other Reactions to Frustration 48
  2.3 Adjustment 55
    2.3.1 Concept of Good Adjustment 56
    2.3.2 Nature of Adjustment 57
    2.3.3 Adjustment and Morality 58
    2.3.4 Definitions of Adjustment 59
  2.4 Frustration in Relation to Adjustment 61
CHAPTER III: SURVEY OF RELATED LITERATURE: 63 - 102

3.1 Introduction 63
3.2 Indian Studies 65
3.2.1 Researches on Reactions to Frustration only 65
3.2.2 Researches on Frustration along with other variables 74
3.2.3 Researches on Adjustment and Related Variables 81
3.3 Researches done Abroad 88
3.4 Conclusions 99

CHAPTER IV: PLAN AND PROCEDURE: 103 - 131

4.1 Introduction 103
4.2 Selection of the sample at Pilot Study Stage 103
4.3 Selection of the Sample for Final Phase of the Study 104
4.4 Selection of the Tools 108
4.5 Description of the Tools 109
   (a) Frustration Study 109
   (b) Adjustment Inventory 110
   (c) Personal Information Blank 110
4.5.1 Construction of Frustration Study Tool 111
   i) Collection of the Situations 111
   ii) Statements for Reactions to Frustration 113
   iii) Judgement of the Experts regarding the statements 115
   iv) Instructions 116
   v) Try out 117
   vi) Scoring 118
   vii) Data Sheet 118
4.5.2 Item Analysis 119
4.5.3 Item Selection 120
4.6 Construction of Adjustment Inventory 120
4.6.1 Try out of the Adjustment Inventory 122
4.6.2 Item Analysis 122
4.7 Reliability and Validity of the Tools 123
(IV)

4.7.1 Reliability of the Frustration Study Tool 125
4.7.2 Reliability of the Adjustment Inventory 126
4.7.3 Validity of the Tools 127
4.8 Hindi Version and Printing of Tools 128
4.9 Preparation for Administration of the Tools 128
4.10 Administration of the Tools 129
4.11 Scoring and Analysis of the Data 129
(i) Scoring 129
(ii) Analysis of the Data 131

CHAPTER V : ANALYSIS AND INTERPRETATION I : 132 - 197

5.1 Introduction 132
5.2 Description of the Sample 133
5.3 Frequency Distribution of the Frustration Scores 137
5.4 Graphical Representation of the Distribution
(1) Ogive Drawn from the Frustration Scores 138
(2) Bar Diagram Drawn from Scores on Different Patterns 139
(3) Bar Diagram Showing Mean Frustration Scores of different Dichotomized groups 140
5.5 Significance of Difference between Mean Frustration Scores of Different Dichotomized groups.
(a) Difference between means of Total Frustration Scores 141
(b) Significance of Difference between means of Scores on Aggression of different groups 143
(c) Regression of Dichotomized Groups of Teachers 146
(d) Fixation of Dichotomized Groups of Teachers 148
(e) Resignation of Dichotomized Groups of Teachers 150
(f) Rationalization of Dichotomized Groups of Teachers 150
(g) Projection of Dichotomized Groups of Teachers 155
5.6 Extent of Frustration Amongst Teachers

5.6.1 Test of significance of the extent of Frustration

5.6.2 Extent of Aggression Amongst Teachers

5.6.3 Extent of Regression Amongst Teachers

5.6.4 Extent of Fixation Amongst Teachers

5.6.5 Extent of Resignation Amongst Teachers

5.6.6 Extent of Rationalization Amongst Teachers

5.6.7 Extent of Projection Amongst Teachers

5.7 Interdependence among Different Patterns of Reactions to Frustrations

5.7.1 Interdependence between Aggression and Regression

5.7.2 Interdependence of Aggression on remaining Patterns of Reactions

5.7.3 Interdependence of Regression on Fixation, Resignation, Rationalization and Projection

5.7.4 Interdependence of Fixation on Resignation, Rationalization and Projection

5.7.5 Interdependence of Resignation on Rationalization and Projection

5.7.6 Interdependence of Rationalization on Projection

5.8 Effect of one Pattern on the other Patterns of Reactions to Frustration

5.8.1 Effect of High and Low Aggression on the other Patterns and Adjustment of Teachers

5.8.2 Effect of High and Low Regression on the other patterns and Adjustment of Teachers

5.8.3 Effect of High and Low Fixation on the other Patterns and Adjustment of Teachers

5.8.4 Effect of High and Low Resignation on the other Patterns and adjustment of Teachers
CHAPTER VI: ANALYSIS AND INTERPRETATION II  

6.1 Introduction  

6.2 Areas of Teacher's Adjustment  

6.3 Frequency Distribution, Mean and S.D. of the Adjustment Scores of the Teachers  

6.4 Graphical Representation of Adjustment Scores  

6.5 Extent of Adjustment of the Teachers  

6.6 Significance of the Extent of Adjustment of the Teachers  

6.7 Adjustment of Different Dichotomized Groups of Teachers  

6.8 Adjustment of High and Low Frustrated Teachers  

6.9 Coefficient of Correlation between Frustration and Adjustment Scores  

6.10 Coefficient of Correlation between Frustration and Adjustment Scores  

6.11 Frustration of High and Low Adjusted Teachers  

6.12 Frustration Scores on different Patterns of High and Low Adjusted Teachers  

6.13 Findings as a Glance  

CHAPTER VII: SUMMARY, CONCLUSIONS, IMPLICATIONS AND SUGGESTIONS  

7.1 Introduction  

7.2 Summary  

7.3 Conclusions  

7.4 Implications  

7.5 Suggestions  

BIBLIOGRAPHY  

APPENDICES
