Dear Sir/Madam,

An attempt is being made to study the Teacher Education Programme of the Institute of Correspondence Course and Continuing Education of Madurai Kamaraj University. In this connection there is a need to collect the views of the teachers of correspondence course regarding different aspects of this system of education i.e., Course of Studies, Packages, Assignments, Personal Contact Programme etc.,

As one of the personnel involved in teaching activities of Correspondence Courses, you must be aware of their instructional objectives. In relation to these objectives you might have seen the usefulness and limitations of different aspects of correspondence education. Also, while performing any of the instructional activities, i.e., writing lessons, checking assignments etc., you might have faced some problems. On the basis of your experience, you might have formed certain views regarding various ways and means of bringing out improvement in Correspondence Courses.

In order to get your opinions and suggestions regarding various aspects of Correspondence Education stated above, a questionnaire is prepared. The questions are arranged in 8 parts according to different aspects of Correspondence Education. You are requested to respond
to those questions which apply to you. There are some questions which seek your open responses. In such cases, please state your responses briefly in the given space. There are some other questions with alternatives of responses. While answering these questions, you may put a tick (✓) mark against the alternatives which you find appropriate. If you have some responses other than the alternatives mentioned, please write them down in the space provided. May I assure you that your responses will be used for research purpose only and kept confidential? I shall be obliged to you, if after filling in the questionnaire, you send it back to me at my present address within 10 days of receiving the questionnaire. A self-addressed envelope is enclosed herewith for this purpose.

Thanking you,

Yours sincerely,

(G. PUGAZHENTHI)

Supervisor,
Dr. G.R. SUDAME

16 EVALUATION

As you know, the evaluation of achievement of correspondence B.Ed. students, is carried out under 2 main aspects, viz., theory and practicals. The students' performance in theory are evaluated in 2 ways, i.e., External (75 marks), Internal (25 marks) But for practicals 10% weightage is given to Guide Teacher's evaluation rest of the 90% was awarded by the internal examiners. The total was given to the external examiner for reference purpose.
In the case of M.Ed., the achievement was decided by Internal (25 marks) and External (75 marks). Keeping in view the different objectives of carrying out this evaluation you may have reaction towards the existing practice and suggestions for improving the process. Please respond to the following questions.

TESTS

The I.C.C. & C.E. is conducting tests in the last period of the second day of each seminars. 10% weightage is given to the test.

16.1 Do you think that such an idea of conducting test at the end of the seminar is appropriate?  

Yes ☑  No ☐

16.1.1 Please state the reasons for your response.

16.2 Do you find any lacuna in the way in which the test is being conducted? (Tick ✓ mark)

a. No proper arrangement  ☐

b. No Supervision  ☐

c. Students are allowed to copy from the packages  ☐

d. No questions to test higher abilities  ☐

e. One test in one subject in each seminar  ☐
16.3 What would you suggest to improve the situation?  
(Tick ✓ mark)

a. Test should be under the supervision of the teachers concerned

b. No weightage should be given for the test in I.A. mark

c. There should not be a scope for copying

d. All questions should be in application in nature

e. Less number of students for each class

16.4 In practice, the students are asked to submit their assignments once in a year (B.Ed.)/Semester (M.Ed.)

Do you think that such an arrangement of sending the assignments at a stretch is academically appropriate?  

Yes  Not Sure  No

16.4.1 Please state the reasons for your response

16.4.2 If your answer is no. would you suggest any other way of submission of assignment?

16.5.1 If your answer is yes for 'a' do you think that such a practice is academically appropriate?

Yes ☐ No ☐

16.5.2 Please state the reasons for your response

16.5.3 If your answer is no, what are the suggestions for the improvement of questions of assignments (Tick √ mark)

a. The questions asked should call for higher order mental abilities on the part of the students ☐

b. Assignments could even include small projects ☐

16.6 Generally, it is found that proper feedback regarding their assignments are not given to the students in the form of remarks.

Do you think that such a practice is academically appropriate?

Yes ☐ Not Sure ☐ No ☐

16.6.1 Please state reasons for your response

16.7 What would you suggest to improve the situation?

a. The institute should insist on more periodical submission of assignments. ☐

b. The part time evaluators shall be given only limited number of assignments to evaluate. ☐
c. Printed model answers are to be distributed to all students after the evaluation of assignments. Any other

d.

e.

16.8 The marks obtained by the students in the assignments are considered for the award of degree (15% Weightage)

Is this practice academically appropriate?

Yes Not No

Sure

16.8.1 Please state the reasons for your response

16.9. Does the assignment on its own serve the purposes of the internal evaluation?

Yes No

16.9.1 Please state the reasons for your answer

16.9.2 If your answer is no, apart from the assignments, what could be the possible ways for making the internal evaluation system more meaningful?
a. Students performance during the PCP in terms of his/her participation in various instructional sessions like lectures, group discussions and seminars can be assessed.

b. His/Her achievement in small tests and quizzes conducted during the PCPs can be assessed.

c. The evaluation can be made more diverse by including practical works and projects.

d. Looking towards the density of students population the Institute can appoint lecturers working in the nearby colleges/Universities for evaluation of practical works and projects.

e. By insisting on periodical assignments/response sheet and sending them back to the students with proper feedback and remarks.

17. The following are a few statements related to the nature of questions asked in the examinations conducted at the end of semester/year. Please express your agreement/disagreement with them.

c. Reading of suggested library books in addition to the lesson scripts help the students perform better in the examinations.

d. Attending the PCPs helps the students perform better in the examinations.

e. Selected reading of a few important topics gets them through the examinations.

f. The memory of the information gained through the course is mostly that is called for good performances.

g. Higher order mental abilities on the part of the students are also required for answering the questions.

18. If you have any suggestions for the improvement of the nature of questions asked in the examinations please state them under the aspects given below:

18.1 Content Coverage
18.2 Levels of mental abilities required for answering the questions.

18.3 Types of questions like essay and short answer or objective type questions.

19. It is the view of the Educationists that internal evaluation system is better suited to the objectives of Higher Education.

19.1 What is your reaction about the role of internal/external evaluation in Correspondence Education?

(Tick ✓ mark)

a. The evaluation should be completely external. 
   
   

b. The evaluation should be partly internal and partly external. 
   
   

c. The evaluation should be completely internal. 
   
   

19.2 Please state the reasons for your responses.
