| | Page No. |
|--|-----------------|
| 1 INTRODUCTION | 1 |
| Rational of the study | 15 |
| Objectives of the Study | 19 |
| Delimitation of the Study | 19 |
| Hypotheses of the Study | 20 |
| 2 REVIEW OF LITERATURE | 21 |
| 2.1 Migration | 22 |
| 2.2 In-migrants' contact with the place of origin | 60 |
| 2.3 Information sources used by the in-migrants' families | 63 |
| 2.4 Perceived cost and benefits of migration | 64 |
| 2.5 Coping strategies adapted by the in-migrants' families | 65 |
| 2.6 Help received by the in-migrant's families | 67 |
| 2.7 Perceived quality of life | 67 |
| Conclusion of review of literature | |
| 3 METHODOLOGY | 90 |
| 3.1 Research Design | 91 |
| 3.2 The Variables | 91 |
| 3.3 Conceptual Framework of the Study | 92 |
| 3.4 Operational Definitions | 92 |
| 3.5 Selection, Description and Development of the tool | 95 |
| 3.6 The sample, Sampling procedure and Sample size | 102 |
| 3.7 Data analysis | 104 |
| 3.8 Educational Program | 111 |

| | | |
|----------|---|------------|
| 4 | FINDINGS AND DISCUSSION | 113 |
| 4.1 | Background information of the respondents | 113 |
| 4.2 | Socio-economic-status of the respondents | 117 |
| 4.3 | Contact with the place of origin | 144 |
| 4.4 | Factors influencing migration decision | 152 |
| 4.5 | Sources of information used by the in-migrant families before migration | 166 |
| 4.6 | Perceived cost of migration | 171 |
| 4.7 | Perceived benefits of migration | 179 |
| 4.8 | Problems faced by in-migrant families | 185 |
| 4.9 | Coping strategies adapted by the in-migrant families | 200 |
| 4.10 | Perceived quality of life | 215 |
| 4.11 | Testing of hypotheses | 240 |
| 4.12 | Educational programme | 250 |
| 5 | SUMMARY, CONCLUSION AND RECOMMENDATION | 253 |
| | Summary | |
| | Conclusion | |
| | Implications | |
| | Recommendations | |
| | BIBLIOGRAPHY | 270 |
| | APPENDIX | |
