ACKNOWLEDGEMENTS

I wish to express my deep felt appreciation and heartfelt thanks to

- Dr. Prema Mohite, my guide and head of Deptt. for her critical and insightful guidance, deep understanding of my requirements as a researcher, her friendly companionship and painstaking efforts in going through the manuscript.

- Dr. Shagufa Kapadia, for her excellent insightful ideas at the time conceptualisation of the study and critical evaluation of the research plan.

- My friends, Ms. Uma Iyer and Mrs. Kasturi Iyer, for their timely help and support.

- Principals of schools whose boys and girls cooperated with lot of patience during the interview sessions.

- My husband, Dr. C.S. Chaudhary for his all time support and patience without whom this work would have been an impossible venture.

- My children, Anubhuti and Anubhav for making tremendous adjustments and facilitating completion of this journey, setting a milestone in my life.

- My inlaws for their co-operation, sharing the responsibilities and making household duties lighter.

- My uncle Dr. D.B. Kalra for his help in checking manuscript.

- Gujarat Agricultural University, Sardar Krushi Nagar for financial assistance during the period of my study.
